Diaries Of Syra Bond:

The Diaries of Syra Bond Syra Bond,2024-01-24 I felt the driver s fingers slip beneath the waist of my panties lifting it away from my skin and peeling them down over my buttocks He used both hands to expose my bottom little by little I relished the cool caress of the evening air against my nakedness He drew the panties down my thighs twisted the material and wedged it just above my knees before letting it go My nipples hardened against my blouse and I swallowed hard as my mouth went dry with anticipation Imprisoned by a perverted captor research student Syra is forced to write about the sexual misadventures that led to her captivity She tells in explicit detail and under constant censure and threat of punishment how in the heat if a long Spanish summer her cruel master Galen as part of an experiment in control trains her to complete obedience She recalls how she fulfils his every wish as with a mixture of mental control and chastisement he takes her to the limits of obedience where everything real and imaginary becomes part of the sexual world he contrives for her Syra s exposure to Galen s cruelty serves only to increase her desire for satisfaction from humiliation But even though she submits to everything she is told and there seems nothing that limits her desire for degradation the final outcome proves to be an ultimate and unforeseen humiliation that sets the scene for the rest of her life *Books in Print Supplement* ,2002
