

Diary Of A Single Woman

Marianna Sommerfeld

Diary Of A Single Woman:

Diary of a Single Woman Marianna Sommerfeld,1991 **Fearlessly Single** Nathi Mhlaba,2011-08-26 By Roane Swindon 2012 02 24 Book Review Fearlessly Single by Nathi Mhlaba Society is bent on emphasizing the importance of relationships and marriage so how can a single Christian woman cope in such a world Author Nathi Mhlaba has been through all of this and it seems that she has the answers In her book Fearlessly Single Diary of a Single Christian Woman she explores the fact that women today are obsessed with getting into relationships and finding someone to marry She also considers how difficult it is for a religious Christian woman to find an equally religious Christian man to marry Through anecdotes Mhlaba explores how she went wrong in her own relationships and her experience has given her the insight to advise other single Christian women about how they can resurrect their relationships with God She postulates that it is more important for a single woman to discover themselves be happy in themselves on their own and to become closer to God and then the perfect relationship will follow Mhlaba has a sincere passion for her religion and for her newfound cause in life to spread the word of God and encourage single women through the passages of her book which are certain to be consoling to many of the South African women who continuously find themselves in bad relationships or feel without direction if they are alone She is at pains to urge Christian women to be comfortable in the now and to remember that God has a plan for everyone They just need to have faith and remember that being single is an opportunity for them to be themselves and a blessing from God **The Published Diaries and Letters of American Women** Joyce D. Goodfriend,1987 **The Early Diary of Frances Burney, 1768-1778** Fanny Burney,1889 The Single Woman and the Fairytale Prince Jean-Claude Kaufmann,2008-10-13 The number of one person households is rising steeply all over the world and a growing proportion of these new singles are women It is estimated that one woman in three lives on her own This development reflects general social trends ranging from rising divorce rates to the growing professionalization of women and their dissatisfaction with a traditional model that offers them a future organized solely around husband baby home At the same time the attractions of that model still linger and the fairytale prince is by no means a figure from a story or a remote past Even in an age in which the internet promises that love is just a click away many women still wait for their prince to come Jean Claude Kaufmann s sympathetic study of the lives aspirations and sometimes despair of the new single women is based mainly on an analysis of a sample of the hundreds of letters sent to Marie Claire magazine after it published a first hand account of the single life Funny touching and at times profoundly sad the letters paint a collective portrait of the single woman and her life that is both intimate and socially significant Kaufmann concludes by situating their stories in a broad comparative context and considering the possible impact of novel phenomena such as the recent vogue for mail order brides Single, White, Slaveholding Women in the Nineteenth-Century American South Marie S. Molloy,2018-07-15 A broad and eloquent study on the relatively overlooked population of single women in the slaveholding South Single White Slaveholding Women in the

Nineteenth Century American South investigates the lives of unmarried white women from the pre to the post Civil War South within a society that placed high value on women's marriage and motherhood Marie S Molloy examines female singleness to incorporate non marriage widowhood separation and divorce These single women were not subject to the laws and customs of coverture in which females were covered or subject to the governance of fathers brothers and husbands and therefore lived with greater autonomy than married women Molloy contends that the Civil War proved a catalyst for accelerating personal social economic and legal changes for these women Being a single woman during this time often meant living a nuanced life operating within a tight framework of traditional gender conventions while manipulating them to greater advantage Singleness was often a route to autonomy and independence that over time expanded and reshaped traditional ideals of southern womanhood Molloy delves into these themes and their effects through the lens of the various facets of the female life femininity family work friendship law and property By examining letters and diaries of more than three hundred white native born southern women Molloy creates a broad and eloquent study on the relatively overlooked population of single women in both the urban and plantation slaveholding South She concludes that these women were in various ways pioneers and participants of a slow but definite process of change in the antebellum era

Sarah Morgan Sarah Morgan Dawson,1992-10 Not quite twenty years old Sarah Morgan began her diary in January 1862 nine months after the start of the Civil War She writes of her many brothers the turmoil of the devastated South and events of the war For the first time the entire diary has been published unabridged The Woman's Hand Paul Gordon Schalow,Janet A. Walker,1996 This volume has a dual purpose It aims to define the state of Japanese literary studies in the field of women's writing and to present cross cultural interpretations of Japanese material of relevance to contemporary work in gender studies and comparative literature

Portraits of Women Gamaliel Bradford,1916 **Sam Curd's Diary** Sam Curd,1984 Diaries of Three Women of the Last Century Mrs. Evelyn S. Leger Savile Randolph,1907 More English Diaries Arthur Ponsonby Baron Ponsonby,1927

The Diary of a 50-Something Single Woman Written by Patricia,2014-09-24 Soft cover 8 x 10 inches 25 x 20 cm Book 1 The Diary of a 50 something Single Woman twisting hope This first in the series is the story of an anonymous naked Cyclops woman who blurts all her innermost thoughts while on her quest for love Ms Cyclops is pried naked of course from her cocoon of depression into Bunnings hardware store where over a croton or two she meets Mr Right well Mr Right Now and journeys through their long imaginative and short lived real lives together The Diary of a 50 Something Single Woman series started out as a true confessions graphic short story probably only for the eyes and thoughts of 50 something single women and their 40 something single friends But wham Their daughters and their boyfriends and their friends and other friends and their partners and everyone's parents all said it was all about them too And they wanted more So a series of illustrated stories with psychological under and over tones became a quirky and slightly risqu four soon to be five and six and seven book collection The books follow the almost love life of an anonymous naked sometimes Cyclops sometimes translucent

innards woman who blurts all her innermost thoughts while on her quest for love Illustrators for the series Books One and Two Sari Beasley and Books Three and Four Portia d Anverrs All books can be enjoyed independently Saucy Quirky So amusing Definitely nothing like them anywhere ever The first four books in the series are Diary of a 50 something Single Woman The Peach The Cyclist My Date with William McInnes All books available in the following formats ebooks soft cover 10 x 8 inches 25 x 20 cm hard cover with dust jacket 10 x 8 inches 25 x 20 cm large hard cover with dust jacket 13 x 11 inches 33 x 28 cm

Dating Diary for Single Women Denise Patton, 2023-04-29 A guided journal on dating while single Single ladies looking for love can use this journal to record all of the details of their journey It is also a resource and repository to accompany them as they identify goals get clear on what s meaningful identify a wing woman and to also be a space for vulnerability This is not a self help journal nor a substitute for a typical journal with bare pages This journal has a special and specific purpose It s here to navigate the reader through finding a partner *Women's Diaries*, 1986 **Time Use**

Methodology, 1993 Waiting Room Rolesta Milian, 2023-08-09 Rolesta Milian divorced mother of four has devoted this singleness season to living pure despite perceiving it certainly comes with its challenges She provides wisdom transparency and advice on how to navigate this path shedding light on her trials and testimony Milian s desire is to promote obedience to the Word of God comfort to those that can relate and a helpful guideline covering steps to faithfully embark on this narrow journey that many see as unnecessary and or unattainable Grab your pen follow along and be prepared to be vulnerable This diary is designed to be a healing experience as you willingly engage decipher and digest *Wandering Heart* Susanna Fessler, 1998-08-27 This first Western language study of one of Japan s most popular writers includes translations of key passages critical commentary and full translations of three essays by Hayashi Fumiko "I wish to keep a record" Gail G. Campbell, 2017-01-01 I wish to keep a record is the first book to focus exclusively on the life course experiences of nineteenth century New Brunswick women Gail G Campbell offers an interpretive scholarly analysis of 28 women s diaries while enticing readers to listen to the voices of the diarists **My Diaries** Wilfrid Scawen Blunt, 1921
