Diary Of His Journey To The Netherlands 1520 1521

Michael Rajnik

Diary Of His Journey To The Netherlands 1520 1521:

Albrecht Dürer, Diary of His Journey to the Netherlands, 1520-1521..., 1971 **Diary of His Journey to the Netherlands, 1520-1521** Albrecht Dürer, 1971 **Albrecht Durer** J.A. Goris, G. Marlier, 1971 *Albrecht Durer*, 1971

Diary of His Journey to the Netherlands, 1520-1521 Albrecht Dürer, 1971 *Albrecht Durer: Diary of His Journey to the Netherlands 1520-1521* Jan-Albert Goris (pseud: Marnix Gijzen), Georges Marley, 1971 **Nuremberg, a Renaissance City, 1500-1618** Jeffrey Chipps Smith, 2014-12-15 This illustrated study of Renaissance Nuremberg explores the city's social and artistic history through the sixteenth century and beyond. The German city of Nuremberg reached the height of its artistic brilliance during the Renaissance, becoming one of the foremost cultural centers in all of Europe by 1500. Nuremberg was the home of painter Albrecht Dürer, whose creative genius inspired generations of German artists. However, Dürer was only one of a host of extraordinary painters, printmakers, sculptors, and goldsmiths working in the city. Following a map of the city's principal landmarks, Guy Fitch Lytle provides a compact historical background for Jeffrey Chipps Smith's detailed discussions of the city's social and artistic significance. Smith examines the religious function of art before and during the Reformation, the early manifestations of humanism in Nuremberg, and its influence on the art of Dürer and his contemporaries, and the central role of Dürer's pedagogical ideas and his workshop in the dissemination of Renaissance artistic concepts. Finally, Smith surveys the principal artists and stylistic trends in Nuremberg from 1500 to the outbreak of the Thirty Years War. *Nuremberg: A Renaissance City 1500-1618* contains biographical sketches of forty-five major artists of the period, plus more than three hundred illustrations depicting the city and its most magnificent artistic treasures.

Enduring Loss in Early Modern Germany, 2010-07-05 This anthology assembles cross-disciplinary perspectives on the experience of and responses to forms of material and spiritual loss in early modern Germany, tracing how individuals and communities registered, coped with, and made sense of such events as war, religious reform, bankruptcy, religious marginalization, the death of spouses and children, and the loss of freedom of movement through a spectrum of activities including writing poetry, keeping diaries, erecting monuments, collecting books, singing, painting, reconfiguring space, repeatedly migrating, and painting, and thereby not only turned loss into gain but self-consciously made history. Emerging from the 2008 interdisciplinary conference of the *Frühe Neuzeit Interdisziplinär*, the essays reveal how loss helped to create identity and gave rise to agency and creativity on the cusp of modernity. Contributors are Rosalind J. Beiler, Claudia Benthien, Jill Bepler, Duane J. Corpis, Alexander J. Fisher, Ulrike Gleixner, Claudia Jarzebowski, Hans Medick, Barbara Lawatsch, Melton Christopher Ocker, Helmut Puff, Thomas Max Safley, Jeffrey Chipps Smith, Lynne Tatlock, Mara Wade, Lee Palmer Wandel, and Bethany Wiggin.

The National union catalog, 1968-1972, 1973

Renaissance Go-betweens Andreas Höfele, Werner von Koppenfels, 2005 The volume analyses some of the travelling and bridge building activities that went on in Renaissance Europe mainly but not exclusively across the Channel true to Montaigne's epoch-making program of describing the passage Its emphasis on Anglo-Continental relations ensures a firm basis in English literature but its particular appeal lies in its European point of view and in the perspectives it opens up into other areas of early modern culture such as pictorial art, philosophy and economics The multiple implications of the go-between concept make for structured diversity The chapters of this book are arranged in three stages Part 1 Mediators focuses on influential go-betweens both as groups like the translators and as individual mediators The second part of this book Mediations is concerned with individual acts of mediation and with the mental topographies they presuppose, reflect and redraw in their turn Part 3 Representations looks at the role of exemplary intermediaries and the workings of mediation represented on the early modern English stage Key features: High quality anthology on phenomena of cultural exchange in the Renaissance era With contributions by outstanding international experts
