Diary Of Samuel Pepys Vol 7 1666:

The Diary of Samuel Pepys, Vol. 7 Samuel Pepys, 2000-12-15 Samuel Pepys is as much a paragon of literature as Chaucer and Shakespeare His Diary is one of the principal sources for many aspects of the history of its period In spite of its significance all previous editions were inadequately edited and suffered from a number of omissions until Robert Latham and William Matthews went back to the 300 year old original manuscript and deciphered each passage and phrase no matter how obscure or indiscreet The Diary deals with some of the most dramatic events in English history Pepys witnessed the London Fire the Great Plague the Restoration of Charles II and the Dutch Wars He was a patron of the arts having himself composed many delightful songs and participated in the artistic life of London His flair for gossip and detail reveals a portrait of the times that rivals the most swashbuckling and romantic historical novels In none of the earlier versions was there a reliable full text with commentary and notation with any claim to completeness This edition first published in 1970 is the first in which the entire diary is printed with systematic comment This is the only complete edition available it is as close to Pepys s original as possible *Diary of Samuel Pepys -- Volume 44: July 1666* Samuel Pepys, 2004 **Diary of Samuel Pepys - Volume 44** Pepys Samuel, 2016-06-21 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy *Diary of Samuel Pepys - Volume 51* Pepys Samuel, 2016-06-21 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **Diary of Samuel Pepys - Volume 43** Pepys Samuel, 2016-06-21 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy *Diary of Samuel Pepys -- Volume 51: March 1666-67* Samuel Pepys, 2004 **Diary of Samuel Pepys - Volume 48** Pepys Samuel, 2016-06-21 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old
