**Dictionary of modern culture** Justin Wintle,1984     [A Dictionary of Modern and Contemporary Art](#) Ian Chilvers,John Graves-Smith,2009 This unique and authoritative reference work contains more than 2 000 clear and concise entries on all aspects of modern and contemporary art Its impressive range of terms includes movements styles techniques artists critics dealers schools and galleries There are biographical entries for artists worldwide from the beginning of the 20th century through to the beginning of the 21st from the Finnish architect Alvar Aalto to the French sculptor Jacques Zwobada With international coverage indications of public collections and publicly sited works and in depth entries for key topics for example Cubism and abstract art this dictionary is a fascinating and thorough guide for anyone with an interest in modern and contemporary culture amateur or professional Formerly the Dictionary of 20th Century Art the text has been completely revised and updated for this major new edition 300 entries have been added and it now contains entries on photography in modern art With emphasis on recent art and artists for example Damien Hirst it has an exceptionally strong coverage of art from the 1960s which makes it particularly ideal for contemporary art enthusiasts Further reading is provided at entry level to assist those wishing to know more about a particular subject In addition this edition features recommended web links for many entries which are accessed and kept up to date via the Dictionary of Modern Art companion website The perfect companion for the desk bedside table or gallery visits [A Dictionary of Modern and Contemporary Art](#) is an essential A Z reference work for art students artists and art lovers     [The Columbia Dictionary of Modern Literary and Cultural Criticism](#) Joseph Childers,Gary Hentzi,1995 More than 450 succinct entries from A to Z help readers make sense of the interdisciplinary knowledge of cultural criticism that includes film psychoanalytic deconstructive poststructuralist and postmodernist theory as well as philosophy media studies linguistics     [Makers of Modern Culture](#) ,1981     **Traditional Chinese Leisure Culture and Economic Development** Huidi Ma,Er Liu,2017-04-05 This book explores the history of leisure in Chinese culture by tracing the development of Chinese philosophy and leisure values in Chinese tradition and civilization It addresses the tremendous changes in Chinese society brought about by the country s rapid economic development and the impact on Chinese culture and leisure It considers the social political and economic challenges facing China from corruption to sharpening inequalities from ecological crisis to the need for a revival of Chinese culture and for political democratization It suggests that leisure can exert an invisible and formative influence on people s lifestyle and value system and considers ongoing trends in the development of leisure activities as they relate to modern Chinese society and social reform     **Current opinion** ,1921     [Current Opinion](#) Edward Jewitt Wheeler, Frank Crane,1921     **The Routledge Dictionary of Cultural References in Modern French** Michael Mould,2020-11-16 Now in its second edition The Routledge Dictionary of Cultural References in Modern French reveals the hidden cultural dimension of contemporary French as used in the press going beyond the limited and purely lexical approach of traditional bilingual dictionaries Even

foreign learners of French who possess a good level of French often have difficulty in fully understanding French articles not because of any linguistic shortcomings on their part but because of their inadequate knowledge of the cultural references. This cultural dictionary of French provides the reader with clear and concise explanations of the crucial cultural dimension behind the most frequently used words and phrases found in the contemporary French press. This vital background information gathered here in this innovative and entertaining dictionary will allow readers to go beyond a superficial understanding of the French press and the French language in general to see the hidden yet implied cultural significance that is so transparent to the native speaker. This fully revised second edition includes a broad range of cultural references from the historical and literary to the popular and classical, an enhanced analysis of punning mechanisms used in the press, over 3 000 cultural references explained with updated examples, a three level indicator of frequency, new and expanded chapters on the French of Quebec, institutional and academic references, and English borrowings in the areas of IT and medical science, over 600 online questions to test knowledge before and after reading. *The Routledge Dictionary of Cultural References in Modern French* is the ideal reference for all undergraduate and postgraduate students of French seeking to enhance their understanding of the French language. It will also be of interest to teachers, translators, and Francophiles alike. French students in kh gne Sciences Po and schools of journalism will also find this book valuable and relevant for their studies. Test questions and solutions are available at [www.routledge.com](http://www.routledge.com) 9780367376758 in addition to three online chapters. These bonus chapters explore figurative expressions involving the names of animals, the language of the law, and slang terms.
