

2000 245 1944--

The order was issued that each company was to carry out night attacks. Sgt. L. Tammann went to work with Lt. Col. Tammann, Lt. Col. Gurev and the platoon sergeant and Farwell among themselves and waited the commencement of the attacks. The men waited patiently outside due to severe winds. The Sgt. and the platoon sergeant and Farwell and promised to meet at the Tammann Marine after death. I with Sgt. L. Tammann was always on top the ground section and was very happy. At last under the command of Capt. Tammann, the companies will commence night attacks. As the units commenced movements, communications between the units could not be taken.

2000 245 1944--

Received artillery barrage during the morning and took cover among the rocks. As each platoon approached nearer and nearer, I closed my eyes and waited. Rifle reports and tank's engine sounds and everybody took cover either in the forest and waited for the enemy to approach. Soon the noise of the enemy could be heard and machine gun bullets could be heard over our heads. I thought this was the end, was ready to charge with a hand grenade when ordered to take cover by the Capt. when I looked from the side of the rock, I could see the helmeted heads of the enemy standing in the wall. With a terrific report, the rock in front of my eyes exploded and the Sgt. that joined us last night was killed. Also the corporal received wounds in the left thigh. However, I could not break the ranks even though I wanted to. Everybody hugged the ground and kept quiet, waiting for the opening in the enemy. As I stood up to get the rifle from one of the dead, a bullet hit between my legs and I thought sure I was hit but after glancing down to my happiness nothing was wrong. A cough was heard and as I looked back I saw my friend corporal in lying on his back with a bullet in his head. "Oh God! He who has been in my ranks will also die!" After flames subsided flew, the enemy was ordered to approach the body of the one who had a bullet hole through his left temple with his eyes half closed and lips tightly clenched. "I'll take his rifle." Tammann's rifle which was slung in his hands was over my head. "Water for the enemy to attack. Sgt. Tammann also had wounds in both of his legs. Pathetically he was saying "Please kill me." so Lt. Tammann beautifully cut his head off. The Sgt. pleaded before being cut, to the Lt. "Please cut skillfully." The Lt. with sword pointing down his head, took one stroke, two strokes, and on the third stroke, he cut his head off. The rifle reports subsided. Soon, however, reports commenced roaring in the frontal area. I protected the small section by Sgt. L. as a Farwell girl and had Farwell in his arms. I grabbed Sgt. Gurev's hand and he stated pathetically that he will commit suicide to cover me. Soon by utilizing the same, commenced movement to join the friendly troops by opening a bloody path. However, because of fine enemy security measures, this could not be carried out. This friendly force was a terrible unit which we were supposed to meet near Mt. Tammann. Soon a terrific rain started and everybody got drenched.

2000 245 1944--

While sheltering from the intense rains to move were issued. Facing the dawn of the north, bowing reverently to the Imperial palace and bidding Farwell to the parents, sons, and wife, I solemnly pledged to do my utmost with Sgt. Tammann and Sgt. Tammann departed from the rocks and went out of the forest. It is regretful that we departed from Mt. Tammann because we promised that the place of death would be the same. Between the enemy artillery bombardment approached the cliffs of day before yesterday where we received the artillery barrage. We tried to reach the cliffs above but could not because of the cliffs. The enemy is surrounding us in all directions. Helplessly we took cover in the brush. At the break of dawn, enemy activity

A Soldier's Diary David Lane, 1905

Diary of a Soldier Hardy Parkhurst, 1993-12-01

Diary of a Confederate Soldier John S. Jackman, 1990. The Civil War journal of John Jackman is one of the richest and most literate of all Confederate soldier narratives to survive the war. It is also the only surviving war period diary of a soldier in the famed First Kentucky or Orphan Brigade. Jackman follows his brigade across the war-torn South from Shiloh to Vicksburg to Baton Rouge through all the battles for Tennessee and on through the Atlanta Campaign and the resistance to Sherman's march to the sea. Jackman is an observer right up to the end when Jefferson Davis and his fleeing cabinet meet for the last time at Washington, Georgia. Written with wit and insight and unfailingly entertaining, Jackman's journal catches the spirit of the common soldier of the Confederacy in camp and field as well as some of the excitement and confusion of battle. His opinions are frank, his prejudices few, and his warm and generous nature show through in his remarks on his fellow orphans. Especially significant for its behind-the-lines vignettes of the Army of Tennessee, this journal is one of the most important soldier journals to come from that troubled yet fascinating army.

Diary of a Common Soldier in the American Revolution, 1775-1783 Jeremiah Greenman, Robert C. Bray, 1978

Diary of a Christian Soldier Rufus Kinsley, David C. Rankin, 2004. This book offers a meticulous reconstruction of the life of Rufus Kinsley, an ordinary New England soldier who during the Civil War became an officer in one of the nation's first and most famous black regiments and an expertly edited transcription of Kinsley's hitherto unpublished wartime diary. Kinsley's diary sheds light on a long neglected theater of the war: the battle for the bayou country of southwestern Louisiana, and it illuminates the workaday routines of black and white soldiers stationed behind Union lines but thoroughly immersed in the unprecedented improvisations that accompanied the social revolution that was emancipation. Kinsley's perspective is that of a too-often neglected type: the absolutely dedicated, evangelical abolitionist soldier who believed that the war and its consequences were divine retribution for the sin of slavery.

The introductory biography places Kinsley's civil war experience in the context of his life and his times [A Soldier's Diary](#) Alfred DiGiacomo, 2008 A Soldier's Diary is the story of an ordinary soldier and his daily routine The author kept a daily diary of his time in the Army It is through this Journal and family correspondence that details of the life of a G I the training the routine duties the drama of war the release provided by passes and leaves The challenges of living with the threat of death are revealed Through personal narrative key moments of the War in Europe are presented the Normandy Beachhead the liberation of Paris and Brussels Buzz Bombed in Liege and The horrors of the Buchenwald Concentration Camp [A Soldier's Diary](#) David Lane, 2017-01-10 When the residents of Jackson county Michigan heard of the South's attack on Fort Sumter they responded by forming the 17th Michigan Volunteer Infantry David Lane at the age of 38 left his wife and four children and enlisted in company G as bugler He later became company clerk and hospital steward Mr Lane kept a diary of his civil war experiences and had it privately published in 1905 giving copies to family I had no thought at the time nor for many years after of having it published but as the years sped on and the old veterans of the Civil War were being rapidly mustered for final discharge I have been urged by many old friends and comrades to publish it that our children and grandchildren may realize something of the hardships and trials their ancestors cheerfully endured for love of country Bruce Catton the well known Civil War historian quoted David Lane's diary multiple times in his book A Stillness at Appomattox Additional research by the editor are included to provide supplemental information on phrases places persons and contemporary events **A Civil War Soldier's Diary** Valentine Cartright Randolph, 2006 A century and a half after Appomattox the diaries of soldiers continue to surface and Civil War enthusiasts including many university professors dream of finding a lost piece of history Such was the delight of David Roe whose friend gave him a remarkable family heirloom the diary of Valentine C Randolph which included handwritten daily entries starting on the day Randolph enlisted and ending on the evening before he arrived home Spanning three years of military experience in the 39th Illinois Regiment this diary includes revealing narratives some recounting events not noted in other sources An eloquent diarist Randolph vividly describes military action in key areas of the eastern theater northern Virginia Charleston and Richmond and its surrounds His record of the Peninsula Campaign the siege of Charleston and finally the Bermuda Hundred and Petersburg campaigns offers a rare look at the role common soldiers played in master strategies He recounts the trials of garrison duty and sea sickness he observes life in army camps and hospitals A former theology student and an unusually thoughtful man Randolph questions the military predation of civilian property and condemns the racial prejudices of his fellow soldiers [Diary of an Enlisted Man](#) Lawrence Van Alstyne, 2019-12-04 In [Diary of an Enlisted Man](#) Lawrence Van Alstyne presents a poignant and raw reflection of military life through the eyes of an enlisted soldier This narrative crafted in an intimate diary format captures the myriad emotions of camaraderie fear and resilience faced by troops during their service Van Alstyne's prose is visceral and unflinching blending vivid imagery with contemplative musings that provide readers with an authentic sense of

the soldier's experience. Set against the backdrop of war, the work engages with broader themes of duty, moral conflict, and the psychological toll of combat, placing it firmly within the tradition of American war literature that seeks to unveil the human condition amidst chaos. Lawrence Van Alstyne, a seasoned veteran himself, draws upon his personal experiences and observations from his time in the military, lending an undeniable authenticity to his narrative. His background in both service and writing allows him to navigate the complexities of soldier life with an insightful perspective, bridging the gap between the battlefield and the reader. This duality not only enriches the text but also serves as a testament to his commitment to shedding light on the untold stories of enlisted personnel. This book is recommended for readers seeking a deeper understanding of military life, offering both an emotional and intellectual exploration of the sacrifices made by those who serve. Van Alstyne's compelling insights and evocative storytelling render *Diary of an Enlisted Man* a must-read for anyone interested in the intricate interplay of identity, duty, and the experiences that shape our heroes.

A Soldier's Diary David Lane, 2016-08-26. Excerpt from *A Soldier's Diary: The Story of a Volunteer 1862-1865*. This book is made up from my diary which was sent home at frequent intervals that my family and friends might know the details of my daily life. The events recorded were written down on the date of their occurrence or while still fresh in my memory. In my comments on current events, I endeavored to do nothing extenuate nor set down aught in malice, but to give expression to my own convictions. I had no thought at the time, nor for many years after, of having it published, but as the years sped on and the old veterans of the Civil War were being rapidly mustered for final discharge, I have been urged by many old friends and comrades to publish it that our children and grandchildren may realize something of the hardships and trials their ancestors cheerfully endured for love of country. I only regret that what I have tried to do has been so crudely done.
