Acquiescent Villa:

The Acquiescent Villa Paula Closson Buck, 1998 In making such journeys Closson Buck yokes the intimate and the social so deftly that one hardly realizes what she has done So that while the speaker of *The Turkish Baths* thinks of becoming again personal like anyone afraid a dream will come to nothing the connection to history and to place that she longs for is already there in the making and the language In images as sumptuous as they are surprising in voyages navigated by sensual touch and oblique eye the poet gives us the far world brought near *The Acquiescent Villa* Paula Closson Buck, 1989

Dedicated to the People of Darfur Luke Reynolds, Jennifer Reynolds, 2009-09-11 Life's changes They happen every day Some large some small A few are very personal Others impact the world *Dedicated to the People of Darfur Writings on Fear Risk and Hope* includes original and inspiring essays that celebrate the glories gained from taking risks breaking down barriers and overcoming any obstacles Nobel and Pulitzer Prize winners a gallery of O Henry award recipients and many best selling authors come together to share personal and compelling challenges and experiences From contemplations on past drug use to reflections on gun control social justice passion and its sacrifices and adventures such as skydiving mountain climbing and golfing the topics vary greatly This kaleidoscopic anthology is a commentary on the lives of prominent literary artists and ordinary citizens who have made simple yet powerful choices that provoked change in one's self and for humanity much the same way that Luke and Jennifer Reynolds do by building this invaluable collection for readers and the world of human rights Not too long ago as struggling graduate students Luke and Jennifer Reynolds conceived this uniquely themed volume as a way to raise funds to support ending the genocide in Darfur Some people carry signs others make speeches many take action What is most special about this book is that it extends beyond words and ideas into a tangible effort to effect change To this end all royalties from the sales of *Dedicated to the People of Darfur Writings on Fear Risk and Hope* will benefit The Save Darfur Coalition an organization that seeks to end the genocide in Darfur Sudan **Yellow Shoe Poets** George Garrett, 1999-10-01 Since 1964 when Louisiana State University Press published its inaugural book of verse Miller Williams's *A Circle of Stone* its poetry list has grown exponentially 191 books by 93 poets into a program that inspires understandable pride in those associated with it Two collections have won the Pulitzer Prize *The Flying Change* 1986 by Henry Taylor and *Alive Together* 1996 by Lisel Mueller Another book by Mueller *The Need to Hold Still* 1980 won the National Book Award while several other LSU titles have been finalists for that distinction most recently *The Fields of Praise* 1997 by Marilyn Nelson and *The Vigil* 1993 by Margaret Gibson Dozens more have been recognized for their excellence through a host of various honors The Press publishes the winner of the annual Walt Whitman Award given by The Academy of American Poets for a first collection and in 1996 it launched the *Southern Messenger* series in collaboration with Dave Smith bringing two shining works into the fold each year The appearance of *The Collected Poems of Robert Penn Warren* in 1998 meant for the Press the realization of a long dearly held dream To mark this thirty five year old tradition as the century and

millennium turn and to offer a sampling of its richness The Yellow Shoe Poets a retrospective anthology was compiled under the editorship of George Garrett a longtime colleague of the Press and the author of eight poetry volumes Say the LSU poets real fast with a southern drawl and you get the ridiculously wonderful moniker that poet Elizabeth Seydel Morgan s young friend innocently mistook for this noble band It s an image Brendan Galvin has appropriated to a perfect fit in his poem Yellow Shoe Poet written on behalf of his fellow yellow shoes across the years All 173 poems are taken from LSU Press books and were selected by the poets themselves if living Arranged alphabetically by author they consist of at least one poem from every poet published by the Press Goethe s admonition that one ought every day at least to read a good poem can find no better starting point than in The Yellow Shoe Poets

 John Donald Kingsley,1999 *Litanies Near Water* Paula Closson Buck,2008-03-01 Infused with Mediterranean landscapes the poems of *Litanies Near Water* Paula Closson Buck s second collection probe the world through language that acts sometimes like a divining rod and sometimes like a lightning rod Elegant meditative lyrics such as You Cannot Love the Wind and Theory of an Impersonal God answer to politically alert poems like Monk Killed by Tractor in Bid to Dodge Police Ultimately in Buck s deft hand the lyrical quest for understanding becomes a form of diplomacy between the physical and the metaphysical between instances of beauty and the violence that threatens daily

Resistance to and Acquiescence in Apartheid Henry Mbaya,2018-09-12 This book documents the history of a major Provincial Anglican theological college in Grahamstown St Paul s Theological College that existed against the backdrop of colonialism and apartheid The author fundamentally attempts to explore a narrative of certain socio economic cultural and political struggles He contextualises the mission of the Church in theological education during a period of deeply rooted inequality Thus one is left to ask the question What missionary role did St Paul s College play in the context of apartheid
