**Jesus and the Cross** Peter Laughlin,2015-03-26 According to the Nicene Creed Christ died for us and for our salvation But while all Christians agree that Christ s death and resurrection has saving significance there is little unanimity in how and why that is the case In fact Christian history is littered with accounts of the redemptive value of Christ s death and new models and motifs are constantly being proposed many of which now stand in stark contrast to earlier thought How then should contemporary articulations of the importance of the death of Christ be judged At the heart of this book is the contention that Christian reflection on the atonement is faithful inasmuch as it incorporates the intention that Jesus himself had for his death In a wide reaching study the author draws from both classical scholarship and recent work on the historical Jesus to argue that not only did Jesus imbue his death with redemptive meaning but that such meaning should impact expressions of the saving significance of the cross Appleton's Magazine ,1907 Miscellaneous Bulletins on the Currency Question in the United States ,1895 **Jason and the Argonauts through the Ages** Jason Colavito,2014-04-04
