Across The Potomac Diary Of A Union Soldier:

Potomac Diary Richtmyer Hubbell, Marc Newman, 2000 In the spring of 1864 a student of medicine from upstate New York joined the Union army and ended up stationed in Virginia across the Potomac River from Washington D C Over the next year and a half Richtmyer Hubbell in his early twenties visited Washington several times a month witnessed some of the most compelling events of the Civil War period and kept an account of them in his diary His entries are unique for their time as well as for ours They chronicle not the military aspects of the war but the political and social events and anticipate the impact that those events will have on the war and on the nation In *Potomac Diary* we witness Hubbell s three meetings with Pres Abraham Lincoln We go with Hubbell to the Electoral College balloting in the 1864 presidential election to Lincoln s second inauguration and to the New Year s Eve ball at the White House in 1865 In the most eloquent entry which is both chilling and prophetic we share Hubbell s grief and insight into the assassination of Lincoln **A Diary of a Union Soldier**
