

Action Shooting Cowboy Style

Ken Ramage

Action Shooting Cowboy Style:

Action Shooting Cowboy Style John Taffin,1999 Gives information on major gun types ammunition clothing and history relating to the new sport of cowboy shooting [Action Shooting Cowboy Style](#) John Taffin,2021-04-15 In this in depth guide John Taffin explains America s hottest game for shooters of all levels with a cowboy twist Whether you re brand new or a seasoned competitor this book shows you all the guns loads and accessories you ll need *Cowboy Action Silhouette Rifle* Charles Stephens,2001-05-01 Cowboy Action Silhouette Rifle competition is spreading like wildfire across the prairies of America Read this book and you ll know why Includes tips on how to tune your equipment to achieve top performance and how to make simple modifications to your rifle to customize it for your own style of shooting [Gun Women](#) Mary Zeiss Stange,Carol K. Oyster,2000-09-01 Women we are told should not own guns Women we are told are more likely to be injured by their own guns than to fend off an attack themselves This fact is rooted in a fundamental assumption of female weakness and vulnerability Why should a woman not be every bit as capable as a man of using a firearm in self defense And yet the reality is that millions of American women somewhere between 11 000 000 and 17 000 000 use guns confidently and competently every day Women are hunting using firearms in their work as policewomen and in the military shooting for sport and arming themselves for personal security in ever increasing numbers What motivates women to possess firearms What is their relationship to their guns And who exactly are these women Crucially can a woman be a gun owner and a feminist too Women s growing tendency to arm themselves has in recent years been political fodder for both the right and the left Female gun owners are frequently painted as trying to be like men the conservative perspective or capitulating to patriarchal ideas about power the liberal critique Eschewing the polar extremes in the heated debate over gun ownership and gun control and linking firearms and feminism in novel fashion Mary Zeiss Stange and Carol K Oyster here cut through the rhetoric to paint a precise and unflinching account of America s gun women [Guns in American Society](#) Gregg Lee Carter,2012-05-04 Thoroughly updated and greatly expanded from its original edition this three volume set is the go to comprehensive resource on the legal social psychological political and public health aspects of guns in American life The landmark 2002 edition of *Guns in American Society An Encyclopedia of History Politics Culture and the Law* was acclaimed for helping readers get beyond the sometimes overheated rhetoric and navigate the overwhelming amount of unbiased academic research on gun related issues Now in light of the steady rate of gun violence and several high profile shooting incidents this extraordinary three volume work returns in a timely and thoroughly updated edition With over 100 new entries the latest edition of *Guns in American Society* is the most current resource available on all aspects of the gun issue including rates of violence gun control gun rights regulations and legislation court decisions pro and anti gun organizations gun ownership hunters and collectors public opinion toward guns and much more With expert contributions from the fields of criminology history law medicine politics and social science it gives students journalists policymakers and researchers a foundation for their own investigations

while helping readers of all kinds make decisions as family members potential gun owners and voters

The Shooting Policy Tom Ellis, 2021-11-27 An all new Burns and Hadfield novel A killer is stalking southern Alabama and the body count is starting to mount A series of racially motivated shootings has left several dead including Andy Burns and Jolene Hadfield s groundskeeper All the victims were killed with a 30 caliber carbine round which may mean the killer is leaving a message for the authorities but what is it In the meantime Jolene finds out about some departmental shenanigans at her police academy Three women cadets have had their firearms altered to mess up their chances of ever qualifying on the shooting range Jolene takes them under her wing to insure they get a second chance at qualification With Andy s help in the form of Burns Built pistols the women move to the Burns s ranch and receive the proper training the good old boys at the academy had denied to them As the women move on to active duty one will face a life altering decision A police thriller with good guys bad guys and departmental politics galore If you enjoyed Tom Ellis other books then this one will be a treat The fast paced followup to San Rafael Jacked featuring retired cops Andy Burns and Jolene Hadfield

Guns 101 David Steier, 2011-06-22 With a background in firearms instruction sales and organizations Steier s knowledge has been cultivated through years of in depth experience and per sonal dedication In Guns 101 Steier covers the basics what guns are for and how they work but also discusses many types of firearms firearm accessories and gun activities enough to help any reader carry on an intelligent conversation From shop etiquette to do it yourself repairs Guns 101 answers all of your gun questions Complete with diagrams and photographs that make all of the technical details clear this book is essential reading for any newcomer to the world of guns
