Active Footsteps Signal Lives:

Active Footsteps Caroline M. Churchill, 1980 A woman way ahead of her time she was an outspoken feminist suffragist and advocate for the rights of minorities Writer and newspaper publisher Caroline Nichols Churchill never hesitated to say what she felt about an issue no matter whose feathers it might ruffle Today Churchill is celebrated by western historians as a key figure in the western suffrage movement and a pioneer as a female journalist This is the wide ranging autobiography that she published in the early twentieth century Wry satirical entertaining and always opinionated Caroline Churchill keeps you flipping pages from beginning to end Every memoir of the American West provides us with another view of the movement that changed the country forever **All the Days of My Life** Amelia Edith Huddleston Barr, 1913 Madeleine, 1919
