The Actor and the Space DECLAN. DONNELLAN, 2024-03-14

There is no acting only reacting to the space In his bestselling book *The Actor and the Target* Declan Donnellan laid out a fresh and radical approach to acting that has inspired actors around the world Now in *The Actor and the Space* he develops and extends those ideas exploring that most profound source of vitality in life as well as performance the space around us Tackling fundamental questions that face any actor What makes performance better How do I create a space for my character to live in How do I tap into that space and draw energy from it Donnellan offers a universal set of keys to unlock the mysteries of performance Full of insightful precepts acute psychology and practical hands on advice the book presents a bold new way of thinking about acting illustrated throughout with line by line analysis of scenes from *Macbeth* to show how it works in rehearsal and performance Essential reading for any actor or theatre director *The Actor and the Space* is also a fascinating distillation of the work of a world leading director that will reward and enrich anyone with an interest in theatre A hand grenade of a book It contains all the humility and chutzpah you need to work in the theatre Cate Blanchett A wonderful book Few directors think as deeply or perceptively about the art of acting as Declan Donnellan This is an essential text for the actor supremely useful practical elegant and profound Matthew Macfadyen Beautifully clear This generous vision takes a very complex art form and makes it all seem so simple The whole book is a key Unlocking the problems actors face as they try to accept another reality long enough to let the audience get a glimpse of the best our art can offer a glimpse into themselves Adrian Lester Declan Donnellan's profound insight and point of departure is that great theatre like a child's sandcastle inhabits a vulnerable and ever changing space between the safe and the dangerous There is a whole lot of wisdom in this book about tragedy human psychology words dread and about how great acting really works conveyed with remarkable clarity and simplicity It's worth sharing with non actor friends for its insights into *Macbeth* alone Most of all it's a distillation of hard won lessons learned from decades of immersion in the mysteries of theatre by one of the great directors of our day James Shapiro Shakespeare scholar and author of *1599 A Year in the Life of William Shakespeare*

Formal Theories of the Commonsense World Jerry R. Hobbs, Robert C. Moore, 1985 This volume is a collection of original contributions about the core knowledge in fundamental domains It includes work on naive physics such as formal specifications of intuitive theories of spatial relations time causality substance and physical objects and on naive psychology
