

## SHARING

Some people think I don't like sharing, but that isn't true at all. I love sharing. I mean, what's not to love about being able to go up to someone and say, "Hey, can I have some of that candy?" And then they give you some! Or, "Can I ride your bike for a while?" And then you get to ride their bike! Sharing is awesome. Sometimes you have to be careful, though. Like if someone comes up to me and says, "Can I have one of your cookies?" Well, if I gave them a cookie, then I might not have any cookies left to share with other people and that would be, like, the opposite of sharing. So I have to say no. Because sharing is really important.
