

SHORT LOVE STORY

One night a guy and a girl were driving home from the movies. The boy sensed there was something wrong because of the painful silence they shared between them that night. The girl then asked the boy to pull over because she wanted to talk. She told him that her feelings had changed and that it was time to move on.

A silent tear slid down his cheek as he slowly reached into his pocket & passed her a folded note.

At that moment, a drunk driver was speeding down that very same street. He swerved right into the driver's seat, killing the boy. Miraculously, the girl survived. Remembering the note, she pulled it out & read it.

"Without your love, I would die."
