Lowrie,2017-09-16 Trieste Publishing has a massive catalogue of classic book titles Our aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of time The many thousands of books in our collection have been sourced from libraries and private collections around the world The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original Our readers see the books the same way that their first readers did decades or a hundred or more years ago Books from that period are often spoiled by imperfections that did not exist in the original Imperfections could be in the form of blurred text photographs or missing pages It is highly unlikely that this would occur with one of our books Our extensive quality control ensures that the readers of Trieste

Publishing s books will be delighted with their purchase Our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest quality This process ensures that the reader of one of Trieste Publishing s titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers Generally Trieste books are purchased singly on demand however they may also be purchased in bulk Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates

The Life Times and Teachings of a Savior Part 2 is the continuation of the first book sharing the same name minus the Part 2 This one like the first weaves the first four books of the New Testament together to uncover the esoteric teachings of one of the Greatest Teachers of all times For Bible readers the commonly read stories in Sunday school about Yahshua s teachings and acts of healing take on a whole new meaning as the messages hidden in archaic scriptures are revealed The stories are sewn seamlessly throughout this piece and the author s added elucidations fit in neatly to complement the whole To drive certain points home threads from sacred texts such as the Dhammapada and the Upanishads have been woven into the fabric of this piece showing the reader that truth is not the sole property of one belief system or culture but belongs to humanity as a whole Join us in this sequel to gain a clearer picture of humanity s purpose upon the earth as creators of light Learn how harnessing the powers of love kindness mercy and compassion infuse one with the ability to heal themselves their loved ones neighbors and the planet As Yahshua came to preach teach and heal the multitudes so can each individual take responsibility sharing the message of peace which brings healing to those who will receive it Turn on the nightly news and it becomes evident that darkness is again crawling upon the face of the deep but as it was in the beginning so is it now our Heavenly Father has said Let there be LIGHT and so it is illuminating the minds of all who will receive it
