Trentaz, 2012-10-30 Trentaz proposes an inclusive complex framework for understanding the creation and maintenance of risk of contracting HIV AIDS takes a hard look at dominant theologies and proposes a new way of approaching a theo ethical response to the pandemic within a communal ethic of risk sharing privileging the voices of the marginalized

*A Science and Religion Primer* Heidi A. Campbell, Heather Looy, 2009-03 The California missions are unique reminders of a largely ignored part of the history of the United States Nowhere else in the United States can one view such complete remnants of an earlier rule Lands Never Trodden brings to the general public the fullest examination to date of the institutions of the Franciscan missions in California and of the stories hidden in these monuments Franciscan priests Spanish officials and Native Americans all have their stories faithfully reported in this volume Each mission carries with it tales of unremitting labor sacrifice love intrigue passion violence and death This volume treats the familiar stories of the missionaries as well as the previously untold stories of the Native Americans with equal candor With more than sixty photographs and based on exhaustive research and historical documents Lands Never Trodden is an entertaining educational and readable presentation of the twenty one California missions

**God and the History of the Universe** Jarvis Streever, 2016-03-22 The popular belief that a scientific understanding of reality is incompatible with a Christian one is simply wrong Some Christian understandings of reality do conflict with some scientific understandings But a thoroughly rational Christian understanding of the origin and history of the universe will be informed by the best scientific theories and the facts founded on them This book weaves a narrative of the origin and history of the universe from the perspective of contemporary science with a Christian understanding of God and of God's role in the origin and history of the universe At the center of this integrated narrative is the view that God who is pure unbounded Love is Creator the zest for life in the universe comes from God and God is the source of Truth Beauty and Goodness in the universe God is amazed and delighted at what God and the world has created God is saddened by ways creatures have fallen short of pure unbounded Love Truth Beauty and Goodness and God's pure unbounded Love keeps on trying to persuade all creatures toward Truth Beauty and Goodness

**Contemporary Theological Approaches to Sexuality** Lisa Isherwood, Dirk von der Horst, 2017-08-23 Contemporary Theological Approaches to Sexuality provides a much needed overview of the state of scholarship on Christian theological reflection on sexuality and sexual theology Critically it also intervenes in the cultural debate over sexuality by privileging feminist queer and other counter normative perspectives Comprising twenty three chapters by a team of international contributors this volume is divided into four parts Normativity and transgression Bodies Economies and violence Divinity Within these sections central issues debates and problems are examined including consideration of the complexities of Christian theology in regard to contemporary sexuality debates Contemporary

Theological Approaches to Sexuality is essential reading for students and researchers in the field of religion sexuality and Christianity

*Adam and the Genome* Scot McKnight, Dennis R. Venema, 2017-01-31 Genomic science indicates that humans descend not from an individual pair but from a large population What does this mean for the basic claim of many Christians that humans descend from Adam and Eve Leading evangelical geneticist Dennis Venema and popular New Testament scholar Scot McKnight combine their expertise to offer informed guidance and answers to questions pertaining to evolution genomic science and the historical Adam Some of the questions they explore include Is there credible evidence for evolution Do we descend from a population or are we the offspring of Adam and Eve Does taking the Bible seriously mean rejecting recent genomic science How do Genesis s creation stories reflect their ancient Near Eastern context and how did Judaism understand the Adam and Eve of Genesis Doesn t Paul s use of Adam in the New Testament prove that Adam was a historical individual The authors address up to date genomics data with expert commentary from both genetic and theological perspectives showing that genome research and Scripture are not irreconcilable Foreword by Tremper Longman III and afterword by Daniel Harrell

*Confessions of a Christian Humanist* John W. De Gruchy, 2006 How can one genuinely follow Jesus today and what does that mean about one s lifestyle social and political commitments and ethical stance In this fine work internationally renowned theologian John de Gruchy answers that question Reviving an almost silenced tradition he lifts the banner of Christian humanism not secular humanism with a Christian veneer but a critical retrieval of Christianity s core convictions and values in ways that are both critical of and yet constructively engaged with secular culture in serving the well being of humanity
