## Adaora I:

*Adaora* Mary E. Bird, 1903      *Comedy of Disgrace* EFE RONALD CHESTERFIELD, 2014-05 Set in the imaginary Igbo village Iwu this play tries the lowest fathoms of lunacy and from there surveys a sane world mocks the sanity of common minded folk and quakes the strongholds of Time weathering Customs A comedy to our best Forewarning to every beast But lest we give too much away We hold our peace as ancients say      *THE RYTHYM OF DEATH* Victory Pius , It was a time when first sons replaced their fathers in the palace Will Udu a slave have a son to take a seat amongst men      **Born in a House of Glass** Chinenye Emezie, 2024-07-16 As Udonwa grows her hidden family history changes her forever Let me tell you a story It s about a war This war is not the type fought with guns and machetes It is a family type A silent war The type fought in the heart It began long before I was formed Udonwa s family is at war a war of relationships played out under the tyranny of a monster dad Age twelve Udonwa has a peculiar love for her father Reverend Leonard Ilechukwu who favours her but beats his wife and his other children She sees his good side after all he pays the school fees and tells her that she named the peaceful child is the one most likely to become a doctor When her newly married eldest sister suddenly takes her from their family compound in Iruama Nigeria to live with her in Awka Udonwa experiences violence first hand Later pieces of a sinister picture emerge that shake her life to the core No longer the person she thought she was Udonwa launches into a period of extreme change and parts of her life spiral into chaos as she finds herself torn between her love for her father and an underlying need to free herself This vivid family saga is engrossing deeply unsettling and finally uplifting      **Latent Error** Samuel Ghasi, 2005 Emeka and Barbara had met before but only for a moment When they ran into each other again eight years later and married Emeka felt he had married the loveliest and most dependable woman However after their daughter Jyoti died of sickle cell disease and Emeka discovered he did not have the sickle cell gene he began to have second thoughts was Barbara really the epitome of virtue he took her for and if she was not then who was the covert father of the girl he had always believed was his daughter Latent Error is an ironic story of love ideals and individuality versus the more imperfect facts of actual life It centres on the old fashioned principles of its main character Emeka Obiora and how these survive within modern life having first to deal with the slyness of his friend and housemate Mickey and then with the question of paternity what is more important the bloodline or real personal attachment This allows an affecting discussion of the nature of the bonds between human beings This is a well executed piece of writing that presents its ideas in an accessible but thought provoking way The narrative flows easily with good rendition of tension and atmosphere all the way to the ending while the different motivations of the central characters and the contrasting ways they have of fitting in with the human world are acutely drawn      *Ogurigwe* Obinna Charles Okwelume, 2001      **A Dance for the Elders** S. C. Nnadozie, 2003  
*The Raging Raider, AIDS* Patrick Eichie, 2002      *The Last Laugh* Ezeokpube G., 1988      *Ten in the Family* Awele Nwakoby, 1977      *Chicken Chaser* Gloria Ernest-Samuel, 2006      **Death in the Triangle** Rufus A. I. Ogbobine, 1984

The Christian Advocate ,1913      *Report of the State Auditor of Georgia* Georgia. Department of Audits and Accounts,2010      **Living Between Two Worlds** Chika Justin Uzor,2003 Young men preparing for the catholic priesthood in Igboland live between the two often opposing epistemic worlds of their African Igbo people and of the mainly Euro Christian seminary institution The embedment in different epistemic traditions can be a source of enrichment Often however they constitute sources of psychological conflict This conflict is relevant in the process of assessing the suitability of admission to priesthood as well as for pastoral effectivity in an African context The present work is a contribution to the transcultural Christian message of liberation and salvation      **Adaora I** Ebby O.
