How to Find **YOUR NICHE** **CHECKLIST**

Template for Free

The illustration shows three devices displaying the checklist template. The laptop screen shows the following text:

What do you enjoy doing? Could you talk or write about it?	Write down your skills Can you teach others?

Below the table, it says: "If you are having difficulty answering the questions above try the statement below to help you find your audience and niche."

The tablet and smartphone screens show a similar checklist with the title "CHECKLIST How to find your Niche" and several rows of input fields.

shortage of resources when it comes to getting started online. Some of these are genuinely helpful and many of those will be mentioned in the pages ahead. But others just want to sell you some service you don't really need or get you to sign up for a hosting package through their affiliate link so they can earn a commission. Do they really have your best interest in mind? Many only give you part of the story or leave you with more questions than answers. What's missing is a comprehensive checklist for small businesses to use when evaluating their current website or when planning out their new site. That's where this book comes in. I'm a small business owner myself and have been working online for nearly 10 years. In that time I've come across too many amazing businesses with amazingly bad websites. Or worse, local businesses I wanted to find information on and patronize but that had no website at all. This checklist is my effort to help give small business owners the information they need to succeed online. From one entrepreneur to another, let's get started. What are you waiting for?
