Blogging for Profit Mark Gray, 2018-09-08

So many bloggers, marketers, and entrepreneurs don't really realize how a blog can become a goldmine. They think to blog as a useless and outdated activity to do because they don't comprise that a blog is one of the most available and profitable sales tools, and it will remain one of the tops for many years. This dumb belief, for which blogging is surpassed, is made by thinking blogs like only text platforms, and it is really stupid. In a blog, it is possible to integrate all the other performing platforms and group them in a unique and high marketable space. Of course, this is possible only with the right information and techniques. This updated manual is the result of more than 10 years of experience. Before to be an SEO expert and a writer, Mark Gray is a successful online marketer. So his main focus is obviously about making money exploiting organic and paid traffic. The goal of this practical manual is to help the students make a structured blog and finally understand HOW TO MONETIZE IT. What this manual DOESN'T include: The evolution of Blogging. Because no one cares, and it is easily findable online. How to make a blog in an in-depth way. Because this is not a geek book. Not monetizable techniques. Because my students want to make more money, and dumb theories do not help. Not profitable methods. Because my students do not want to lose their time and money. Pointless information. Outdated strategies. Stupid and useless tips. Everything else does not really work. The really worth approaches are not so much. And study a giant, incomprehensible, and full of useless advice volume is not what you need. This smart manual will provide you with all the really practicable steps to get your blog profitable. Before to fight versus your competitors, you are fighting versus algorithms, and it is the critical point of all the discussion. If you do what Google, Facebook, and Youtube want to see, you will be rewarded. Obviously, if not, you do not, and indeed, you could be penalized. What this manual includes: Q & A. To get more awareness and to understand the various terms and acronyms means. How to choose the Right Niche. Based on sellable products. How to create an High Impact Brand. Communicate coherency. How to really Monetize Blogs. Which path you want to take. How to build a Marketing Ecosystem. Built on your blog. How to start a Profitable Blog. And how to improve it. How to improve SEO Ranking. Be more Google friendly with five smart techniques. How to exploit Facebook Integration. Create engagement and get boosted. Extra. Understand how to monetize the traffic in the

How To Write Blog Posts That Go Viral Without Selling Out

If you have ever thought about sharing your experiences and knowledge with the world through a blog, only to put it off because the technical mumbo jumbo really scares the shit out of you. But somewhere deep down inside, you know that you have it in you. Then you see these top bloggers selling their advice and products and making a ton of money. Actual money, and you think, what kind of secrets get them where they are? And you wonder, do you have it in you? Trust me when I say that I have been through the same shit over and over again, and finally, said enough is enough. And here in this book, you will know the exact tactics that will help you run a cool, funky blog. This little book is about a proven, easy-to-follow system: *How to Start and Boost a Blog from Scratch: Blogging for Novice Marketers*. I am not going to tell you that read this and you will kill it in 60 seconds or 5 minutes. Many guides claim that, but I do not because that doesn't happen in real life. Learning something new takes time, a little bit of unlearning, too, and some frustration. I am more concerned about setting a blog right because redoing the whole thing is a waste of time for both of us. Starting it all with a success mindset. The book includes tips, tricks, and tactics from my own experiences and also from the renowned bloggers and marketers from the world over, like Smartblogger, Neil Patel, wpbeginner, ProBlogger, CopyBlogger, Moz, and so many others who continuously rake in big moolah through their blogs. You will find a lot of relevant information in this book. What you won't find is technical mumbo jumbo that will make you rethink your decision to start your blog. You will quickly realize that starting a successful blog is anything but complicated. And trust me, the journey will be more fun than a pain in the ass. Here
