Positive Charge - Empowering Electric Fleets

INTRODUCTION

Discover how Positive Charge revolutionized electric fleet charging operations. In this one-page case study, we unveil a remarkable journey of transformation in the EV industry.

CHALLENGE OR OPPORTUNITY

The challenge was clear—rapidly growing electric fleets were straining existing charging infrastructure, leading to bottlenecks, downtime, and increased operational costs.

SOLUTION OR APPROACH

Our approach was innovative and comprehensive. We integrated infrastructure expansion, smart technology, and optimized charging schedules to create a holistic solution that tackled the challenge head-on.

RESULTS AND BENEFITS

The results speak volumes: a 50% reduction in charging-related downtime, 60% increase in leads from fleet operators, and substantial cost savings. Discover how our solutions empowered efficiency and growth.

TESTIMONIALS OR QUOTES

"Positive Charge's solutions transformed our fleet operations. Charging bottlenecks are a thing of the past, and our efficiency has soared." — John Smith, EV Fleet Manager

of the entire journey of postgraduate research in the social and behavioural sciences from enrolment to its culmination in the form of a thesis dissertation or portfolio and beyond. It is written in an accessible and example-rich style offering practical and concrete advice in virtually all areas. It also includes references to additional resources and websites and each chapter features key recommendations for improving the postgraduate research experience. The book addresses not only research-related aspects e.g. supervisors selecting your guiding assumptions, contextualising framing and configuring research, reviewing literature, sampling, writing proposals, ethics and academic integrity, selecting a data gathering strategy, surviving your thesis dissertation portfolio examination and publishing, but also questions concerning how to integrate, manage and balance the research journey in the context of the postgraduate student's broader life world e.g. skill development and supervisor relations, effective time and project management, a healthy work-life balance, maintaining motivation and dealing with criticism. The book adopts an explicitly pluralist perspective on postgraduate research, moving beyond mixed methods thinking and offers concrete examples from postgraduate students' real-world experiences.

Entrepreneurship and Small Business Development Paul Westhead, Gerard McElwee, Mike Wright, 2011-06-16 Entrepreneurship is a hot topic yet there is no agreed definition of entrepreneurship. There is even debate about whether entrepreneurship can be taught. This text and case study collection is designed to stimulate critical thinking and reflective learning relating to entrepreneurship. This book enables you to focus on the key issues that need to be considered with regard to new ventures and/or a business plan module as well as courses on theory and policy relating to entrepreneurship and small businesses.

Marketing Management For Non-Marketing Managers Heather Fitzpatrick, 2017-05-15 Although marketing-related expenses are a significant portion of most organizations' budgets, it is often frustrating for those with budget oversight to get a clear picture of the returns on their marketing investment. This engaging book offers practical ways for non-marketing managers and executives to measure and improve marketing returns. It gives you the tools you need to be able to correctly assess the potential of your marketing and accurately evaluate the returns. You'll learn why market leaders achieve significantly greater returns on their marketing than others within their market. The 3 main reasons most marketing plans fail to live up to their potential and the steps you must take to avoid these pitfalls. How to evaluate your marketing investment's likely ROI before you invest the money. When and how to assess the financial returns of your marketing efforts. How well your own organization is performing in the management of its marketing investments. The book includes case studies from companies of various sizes and in a cross-section of industries including not-for-profits. 4 tests to use prior to the approval of a marketing budget. A marketing performance evaluation tool to assess and improve your organization's marketing management.
