It has a historical context with research of the time. This book contains a historical context where past events or the study and narration of these events are examined. The historical context refers to the circumstances and incidents surrounding an event. This context is formed by everything that in some way influences the event when it happens. A fact is always tied to its time that is to its characteristics. Therefore when analyzing events that took place tens hundreds or thousands of years ago it is essential to know the historical context to understand them. Otherwise we would be analyzing and judging what happened in a totally different era with a current perspective. *Across the Plains with Other Memories and Essays* by Robert Louis Stevenson it is a story by Robert Louis Stevenson. He reviews his 1879 trip to California very costly for his health. First published as a series of articles in *Longman's Magazine* in July and August 1883 the story appears in the volume in *Chatto Windus* in 1892. Having completed the Atlantic crossing from Glasgow under the conditions described in *The Amateur Emigrant* Stevenson arrived in New York traversing the United States from east to west to reach San Francisco California after a twelve day train journey. **ACROSS THE PLAINS** Robert Louis Stevenson, 2017-04-20 It was if I remember rightly five o'clock when we were all signalled to be present at the Ferry Depot of the railroad. An emigrant ship had arrived at New York on the Saturday night another on the Sunday morning our own on Sunday afternoon a fourth early on Monday and as there is no emigrant train on Sunday a great part of the passengers from these four ships was concentrated on the train by which I was to travel. There was a babel of bewildered men women and children. The wretched little booking office and the baggage room which was not much larger were crowded
