Across Town:

DIANE D Doris Miller, 2020-08-27 Staff members at Diane D's family's organization are standing in the hallway talking. They find out that Diane D is let out of the mental institution temporarily. They find out that she is in her family's custody and is back at the organization. It is causing fear around the organization, making everyone feel very uncomfortable and afraid, knowing Diane D's presence is there at the organization. Several children in the hallway approach the staff members. They claim to have seen Diane D sitting in a chair inside her grandmother Margarita's office, angrily looking out the doorway at them as they passed by Margarita's office doorway. Staff members start to wonder: could it be the evil, vicious, powerful, and dangerous other personality of Diane D sitting there in the chair inside Margarita's office, angrily looking at the children? The children also claim to have seen something black strapped around both of Diane D's ankles. Days later, a young man is very angry and upset about the murder of his father, who was one of the police officers killed by Diane D's other personality. He angrily plots revenge against Diane D as he creeps up the back stairwell of the organization with a gun. Suddenly, Diane D appears out of nowhere and comes face to face with the man. The man then claims that Diane D is stalking him. He claims to have nightmares about her coming after him. Family members of the victims Diane D's other personality has killed are at a local hotel, sitting inside a large conference room, listening to a speech Diane D is making to them as she stands in front of the room at a podium. She apologizes to them for her shocking crime she did to their loved ones the year prior, which she still claims not to remember doing. Another young man, whose father was one of the SWAT team members killed by Diane D's other personality, becomes very angry with Diane D. He stands up from his seat and hollers, screams, and swears at her, accusing her of harming, tearing up, and bringing pain and suffering to his family. Diane D apologizes to the man, but the man angrily heads towards her, continuing to holler, scream, and swear at her. Diane D hollers back at the man and warns him not to come near her. The man ignores Diane D's warning and heads straight to her. He then lunges at Diane D. Diane D uses her martial arts skills and immediately goes into defense mode. Things do not go well for the man. People around the community start to protest, calling for Diane D's deportation. Diane D's family takes her back to see Dr. Stone again. They tell Dr. Stone that this evil, vicious other personality of Diane D's is ruining her life, causing everyone to be afraid of her and causing her to be locked away and maybe deported. They want him to get rid of this evil, vicious personality once and for all. Dr. Stone tells Diane D's family that the only way to try and get rid of her other personality again is for Diane D to be hypnotized again, but this time Diane D will have to be locked inside a bolted room where she or her other personality can't escape, just in case her other personality comes out to the surface and becomes dangerous and vicious and winds up killing again. Dr. Stone tells six young female nurse interns in the hospital hallway to go in the examining room and lift Diane D from the hospital bed to the examining table. The nurses tell Dr. Stone that they fear Diane D and do not want to deal with her. Dr. Stone demands the nurses to transfer Diane D anyway. Later, two of the nurses get injured by Diane D, then flee the examining room. Later, the

four remaining nurses secretly witness Diane D do something so strange inside the examining room They scream in fear and flee out the examining room Later on Dr Stone has Diane D under hypnosis as she lays face up on a psychiatrist couch with her eyes closed and hands and wrists chained to the sides of the psychiatrist couch Dr Stone then speaks to Diane D s subconscious again After a while Diane D s other personality comes out to the surface again Dr Stone speaks to Diane D s other personality as her other personality speaks back to him He then tells Diane D s other personality to leave Diane D alone and not to bother Diane D s soul spirit or physical body anymore The other personality or evil vicious entity refuses to leave Diane D s soul spirit and physical body alone Dr Stone then gives the other personality or evil vicious entity an ultimatum The other personality or evil vicious entity becomes angry It then threatens Dr Stone It starts to become violent and tries to break loose from the chains wrapped around Diane D s hands and wrists Dr Stone yells at the other personality or evil vicious entity and tells the other personality or evil vicious entity that even if it succeeds in breaking loose from the chains it won t be able to break loose out of the room because the room and door are bolted shut and it can t escape The other personality or evil vicious entity then calms a little It stops trying to break loose from the chains wrapped around Diane D s hands and wrists and agrees to leave from inside Diane D s physical body It then threatens to go after Dana s physical body and enter into her physical body to do harm and cause chaos Dr Stone Margarita Tomas and the rest of Diane D s family become shocked and horrified hearing this They suddenly see Diane D s physical body become calm and stop moving as Diane D lays there motionless with her eyes still shut Dr Stone Margarita Tomas and the rest of Diane D s family become more shocked and horrified as the entity appears to have left Diane D s physical body and realized that the entity is now probably on its way to enter into Dana s physical body They hurry to leave the hospital room as other family members stay to watch Diane D s physical body Dr Stone Margarita Tomas and some of Diane D s family quickly leave the hospital desperate to find Dana before it s too late fearing that the entity will use her physical body to kill and cause chaos just like it used Diane D s physical body to kill and cause chaos
