Across A Broken Sky:

Across a Broken Sky Terry Umphenour,2001-05-15 When the juvenile judge sentenced fourteen year old Karina to Blue Horizons an alternative school for difficult adolescents her anger dictated her actions more than logic or reason She wanted to be good and do what was right She wanted to be praised but the plane crash that killed her parents and subjected her to months of painful recovery were more than she could endure Now she must find the courage not only to deal with the anger of her loss but also to face the demon that most frightened her flying After initial resistance the instructors and kids of Blue Horizons helped Karina find a place for herself and peace from within But no one could foresee the fateful set of events that forced Karina into making a life or death decision a decision that placed her on a mission of mercy at the risk of her own life With a storm closing in around her and time running short Karina s flying skills would face the ultimate test She knew this would be her last flight She prayed it would be a successful one *Across A Broken Sky* Terry Umphenour,2001-05-01
