Romans George Arthur Buttrick,1951 *Selective Belief* Roland Crevier,2013-10-31 DO YOU HAVE AN OLD HAT FAITH Is the Bible simply a book that confirms what we already believe or instead is our belief to be conformed to what is written in the book Even the Gospel can become old hat to those who take their faith for granted Selective Belief is written with a fresh look into what we think we already know about salvation and Gods grace The love of God for the sinners whom He saves is a story that never grows old It is an eternal love story that we gladly tell to all who will listen This book stems from many encounters with those who see Gods only purpose as a sinner saver To many of these this is the sole purpose for His existence God is greater than this He reigns in a glorious Kingdom where He currently rules as King He has a Universe to manage and a fallen world to bring to its ultimate conclusion We will discover a God who is on the midst of working His eternal plan In this eternal plan He graciously chooses to include as His own children people from the humanity of this earth to become heirs to His Kingdom and to become the recipients of His eternal blessings This book will cause you to take a fresh look into the scriptures regarding Gods choices regarding our salvation as well as the process by which He brings it to come to pass in our life It will challenge you to take another look into what you thought you already knew about your salvation **Commentary on the New Testament: Romans** Heinrich August Wilhelm Meyer,1889 **The New Testament Church** William Henry Harrison Marsh,1898 **Acts & Paul's Letters** Charles M.
