Adam Eve The Serpant:

The Sin Paradox D. B. Evans, 2019-06-17 What if Adam Eve death murder debt wars and even the last days of Jesus were all part of a common biblical pattern Have you ever asked why God did something a certain way In The Sin Paradox author D B Evans shares his revelatory answers to a number of important questions he asked to God who late one night answered him in a whispered word What did Adam and Eve do What kind of fruit did they eat Why did Satan take the form of a serpent Why did Satan do it Why did Jesus have to die Why did he have to die the way he did Why did the last days of Jesus s life play out the way they did How does the sinful act of Adam and Eve permeate all of subsequent human existence and actions such as wars debt greed and all the other sins humankind experiences Could the sin committed in Eden still be happening today What if all these questions could be answered within a common biblical thread The Sin Paradox provides a case against Adam Eve and the Serpant not of guilt or innocence of those involved but of whether the evidence points to the actual crime they committed

Adam, Eve, and the Serpent Elaine Pagels, 1989-09-19 A National Book Award winner and New York Times bestselling author deepens and refreshes our view of early Christianity while casting a disturbing light on the evolution of the attitudes passed down to us Confirms her reputation as both a scholar and a popular interpreter Continuously rewarding and illuminating The New York Times How did the early Christians come to believe that sex was inherently sinful When did the Fall of Adam become synonymous with the fall of humanity What turned Christianity from a dissident sect that championed the integrity of the individual and the idea of free will into the bulwark of a new imperial order with the central belief that human beings cannot not choose to sin In this provocative masterpiece of historical scholarship Elaine Pagels re creates the controversies that racked the early church as it confronted the riddles of sexuality freedom and sin as embodied in the story of Genesis And she shows how what was once heresy came to shape our own attitudes toward the body and the soul

The Sin Paradox Donald Evans, 2019-06-04 With any criminal case the defendants are presented their means and motives are detailed in an effort to determine the truth of the guilt or innocence of the accused The same process is true in The Sin Paradox the case against Adam Eve and the Serpent The difference is their guilt has been determined Their punishments have been handed down All that is left to discover is what their actual crime was They clearly broke the commands of God The question remains what was that very specific overt action What did they actually do which disobeyed God What was mankind s first or Original Sin The actions of Adam Eve and the Serpent brought on themselves and all of creation the righteous judgment of God What could two people who have nothing not even clothing do to directly affect all of humanity human history even all of creation itself
