Adam's Rib Disorder Deborah A. Cosio,2009-08 Through the pages of Adam s Rib Disorder Deborah takes us on the roller coaster ride of her life In down to earth conversational prose she guides us through the struggles of her life child molestation adultery spousal abuse two failed marriages a cheating husband her battle with cancer and raising three children all the while proving that even against the toughest of life s challenges through tears laughter and perseverance that with the strength of God all things can be overcome This book will open the eyes of those who continue to walk in darkness Don t be fooled there is NO excuse for abuse of ANY kind Written amid the turmoil it describes this book honestly and immediately recounts Deborah s discovery of strength through God in a time when survival seemed almost impossible In her time of emptiness when she realized that she could no longer survive on her own she finally turned to God instead of man Deborah s memoir reveals how her eyes were opened and helps us understand with her that man had none of the answers she needed and that she would find wholeness and victory only through God

Of Adam's Rib J. Thomas Stroud, Jr.,2017-02-08 Why do men and women fail in relationships and marriages and in the households they have sworn to uphold Why do Sport Superstars cheat and fall to prey with women outside of the marriage when they still love their wives The answer will surprise you as we discover that a Human relationship is two fold It may be the man s or husband s failure but it is not without the woman s or wife s contribution to that failure Men are just not smart enough to round out a relationship on their own this is why God gave women the gift of communication With this gift she is to unravel who he is and what kind of provider he will become before she has sex with him Steve Harvey s book Act like a Woman Think like a Man is also highly recommended by this author Yet to know why men and women must fall into order with the rest of God s Creations Of Adam s Rib addresses that in earnest
