**Amateur City** Katherine V. Forrest,2011-01-01 Tough and demanding LAPD Detective Kate Delafield is the leader of the investigation into a highrise office building murder The case is intriguing but routine until Kate interviews the only witness Ellen O Neil When Ellen O Neil took her new job over the objections of her lover she wasn't expecting to become embroiled in murder The curiosity that Kate Delafield rouses is equally unexpected But it is never far from Ellen's mind that she is merely a name on an interview sheet to the tight lipped detective Kate's thin trail of clues are enough to convince her that she is looking for an amateur and amateurs are notoriously unpredictable and dangerous She finds her path increasingly intersecting with that of Ellen O Neil who is proving unpredictable and dangerous in a far more personal way **AMATEUR CITY** is the first novel in the compelling Kate Delafield mystery series that has gripped readers all over the world **The Lost** Jennifer St. Clair,2013-05-21 Almost sixty years ago Darkbrook the only school of magic in the United States opened its doors to students of decidedly different natures sending out letters of invitation to the elves the dragons and the vampires The three who responded to the invitation banded together despite their differences but vanished only weeks later along with an entire classroom full of students and their teacher after a field trip gone horribly wrong The Wild Hunt has healed and the Hounds have grown closer together keeping Darkbrook's forest safe and secure for those who live there Malachi one of the eldest members of the Wild Hunt has adapted to Josiah's spell to help him see but when a demon boy trapped in the body of a human body for sixty years inside the school disrupts the newfound calm the Hunt and those they protect are thrust into a struggle that should have ended long ago when a vampire an elf and a dragon vanished into the Mists **Manual of Lipreading** Mary E.
