Adaptations From Short Story To Big Screen:

Adaptations Stephanie Harrison, 2011-08-10 An Eclectic Collection of Fiction That Inspired Film Memento All About Eve Rear Window Rashomon and 2001 A Space Odyssey are all well known and much loved movies but what is perhaps a lesser known fact is that all of them began their lives as short stories Adaptations gathers together 35 pieces that have been the basis for films many from giants of American literature Hemingway Fitzgerald and many that have not been in print for decades the stories that inspired Bringing Up Baby Meet John Doe and All About Eve Categorized by genre and featuring movies by master directors such as Steven Spielberg Stanley Kubrick Robert Altman Frank Capra and John Ford as well as relative newcomers such as Chris Eyre and Christopher Nolan Adaptations offers insight into the process of turning a short story into a screenplay one that when successful doesn't take drastic liberties with the text upon which it is based but doesn't mirror its source material too closely either The stories and movies featured in Adaptations include Philip K Dick's The Minority Report which became the 2002 blockbuster directed by Steven Spielberg and starring Tom Cruise The Harvey Pekar Name Story by reclusive graphic artist Harvey Pekar whose life was the inspiration for American Splendor winner of the 2003 Sundance Grand Jury Prize Hagar Wilde's Bringing Up Baby the basis of the classic film Bringing Up Baby anthologized here for the first time ever The Swimmer by John Cheever an example of a highly regarded story that many feared might prove unadaptable The predecessor to the beloved holiday classic A Christmas Story Red Ryder Nails the Hammond Kid by Jean Shepherd Whether you're a fiction reader or a film buff Adaptations is your behind the scenes look at the sometimes difficult sometimes brilliantly successful process from the printed page to the big screen From the Trade Paperback edition

6 Degrees of Film Mary L. Johnson, 2013-09-30 This book is intended for film buffs of all ages and in fact anyone interested in learning more about the history of film 6 Degrees of Film will take you on a short trip through the history of the movies where you will learn about the surprising connections between the films of the past and the films of today Some stories may surprise you and some will simply entertain 6 Degrees of Film connects the films and the film makers from the Silent Era and the Golden Age of Film with many of the movies that are made today You'll learn why we are in a new Golden Age of Film that is defined by movies like Star Wars and companies such as George Lucas state of the art special effects company Industrial Light Magic Adaptation, Awards Culture, and the Value of Prestige Colleen Kennedy-Karpat, Eric Sandberg, 2017-09-07 This book explores the intersection between adaptation studies and what James F English has called the economy of prestige which includes formal prize culture as well as less tangible expressions such as canon formation fandom authorship and performance The chapters explore how prestige can affect many facets of the adaptation process including selection approach and reception The first section of this volume deals directly with cycles of influence involving prizes such as the Pulitzer the Man Booker and other major awards The second section focuses on the juncture where adaptation the canon and awards culture meet while the third considers alternative modes of locating and expressing

prestige through adapted and adaptive intertexts This book will be of interest to students and scholars of adaptation cultural sociology film and literature Developing Story Ideas Michael Rabiger,2016-07-01 The vast majority of screenplay and writing books that focus on story development have little to say about the initial concept that inspired the piece Developing Story Ideas The Power and Purpose of Storytelling Third Edition provides writers with ideational tools and resources to generate a wide variety of stories in a broad range of forms Celebrated filmmaker and author Michael Rabiger demonstrates how to observe situations and themes in the writer s own life experience and use these as the basis for original storytelling This new edition has been updated with chapters on adaptation improvisation and cast collaboration s roles in story construction as well as a companion website featuring further projects class assignments instructor resources and more Gain the practical tools and resources you need to spark your creativity and generate a wide variety of stories in a broad range of forms including screenplays documentaries novels short stories and plays Through hands on step by step exercises and group and individual assignments learn to use situations and themes from your own life experience dreams myth and the news as the basis for character driven storytelling harness methods of screenplay format dialogue plot structure and character development that will allow your stories to reach their fullest potential **Teaching the Short Story** A.
