Bird Children:

Bird Children Elizabeth Gordon, 2015-05-15 BIRDS are only another expression of God's love and we are told that not even a sparrow shall fall to the ground without the notice of the Father. Birds are poetry come to life and set to music. If you should stand at the edge of a forest at sundown and hear the birds singing their good night songs, hear the sleepy little notes grow fainter and fainter until the silence came, then when the dusk had deepened you should hear the night birds begin their plaintive songs. You would realize what a different place our beautiful world would be without birds. [Bird Children](#)
