The Myth of Bouncing Back Charaia Rush, 2026-04-14 A Roadmap for Coming Back Stronger After Life's Hardest Falls How to lament learn to stand again and ultimately rebuild a beautiful life

Helps you understand how you grow and change as a result of life's challenges and disappointments. A hopeful, encouraging, and energizing book for the hurting. There's no such thing as bouncing back. Whether that sentence made you frown in disagreement or sigh with relief that someone finally gets it, this book is for you. There's a lot of talk about resilience these days, but true resilience isn't just maintaining a positive attitude in the face of obstacles or returning to where you were before some difficulty or trauma occurred. It's a lifelong practice of falling, learning, and rising again with each new challenge. It's about becoming who you're meant to be. With deeply personal stories and biblical reflections, Charaia Rush guides you through a process of building resilience through the cycles of failure, faith, and transformation. She shows you how to face your fears, own your story, yes, even the hard parts, release relationships, roles, or mindsets that no longer serve you, reclaim your intrinsic worth apart from achievements or approval, redefine success, trust the process, hold on to hope even when the future feels uncertain, and more. Firmly grounded in God's promises, this practical and hopeful book offers a road map for rising again after life's hardest falls while finding purpose in the process.
