Sultans of Deccan India, 1500-1700 Navina Najat Haidar, Marika Sardar, 2015-04-13 The vast Deccan plateau of south central India stretches from the Arabian Sea to the Bay of Bengal In the sixteenth and seventeenth centuries the region was home to several major Muslim kingdoms and became a nexus of international trade most notably in diamonds and textiles through which the sultanates attained remarkable wealth The opulent art of the Deccan courts invigorated by cultural connections to the Middle East Africa and Europe developed an otherworldly character distinct from that of the contemporary Mughal north in painting a poetic lyricism and audacious use of color in the decorative arts lively creations of inlaid metalware and painted and dyed textiles and in architecture a somber grandeur still visible today in breathtaking monuments throughout the plateau The first book to fully explore the history and legacy of these kingdoms *Sultans of Deccan India* elucidates the predominant themes in Deccani art the region's diverse spiritual traditions its exchanges with the outside world and the powerful styles of expression that evolved under court patronage with fresh insights and new scholarship Alongside the discussion of the art lively engaging essays by some of the field's leading scholars offer perspectives on the cycles of victory and conquest as dynasties competed with one another vied with Vijayanagara a great empire to the south and finally succumbed to the Mughals from the north Featuring some 200 of the finest works from the Deccan sultanates as well as spectacular site photographs and informative maps this magnificently illustrated catalogue provides the most comprehensive examination of this world to date and constitutes a pioneering resource for specialists and general readers alike

Mughal Occidentalism Mika Natif, 2018-08-13 In *Mughal Occidentalism*

Mika Natif elucidates the meaningful and complex ways in which Mughal artists engaged with European art and techniques from the 1580s 1630s Using visual and textual sources this book argues that artists repurposed Christian and Renaissance visual idioms to embody themes from classical Persian literature and represent Mughal policy ideology and dynastic history A reevaluation of illustrated manuscripts and album paintings incorporating landscape scenery portraiture and European objects demonstrates that the appropriation of European elements was highly motivated by Mughal concerns This book aims to establish a better understanding of cross cultural exchange from the Mughal perspective by emphasizing the agency of local artists active in the workshops of Emperors Akbar and Jahangir **Guide to Indian Periodical Literature** ,1989
