Anxiety In Christian Experience

Cyril Henry Valentine

Anxiety In Christian Experience:

The Holy Spirit and Christian Experience Simeon Zahl,2020-06-11 In The Holy Spirit and Christian Experience Simeon Zahl presents a fresh vision for Christian theology that foregrounds the relationship between theological ideas and the experiences of Christians He argues that theology is always operating in a vibrant landscape of feeling and desiring and shows that contemporary theology has often operated in problematic isolation from these experiential dynamics He then argues that a theologically serious doctrine of the Holy Spirit not only authorizes but requires attention to Christian experience Against this background Zahl outlines a new methodological approach to Christian theology that attends to the emotional and experiential power of theological ideas This methodology draws on recent interdisciplinary work on affect and emotion which has shown that affects are powerful motivating realities that saturate all dimensions of human thinking and acting In the process Zahl also explains why contemporary theology has often been ambivalent about subjective experience and demonstrates that current discourse about God s activity in the world is often artificially abstracted from experience and embodiment At the heart of the book Zahl proposes a new account of the theology of grace from this experiential and pneumatological perspective Focusing on the work of the Holy Spirit in salvation and sanctification he retrieves insights from Augustine Luther and Philip Melanchthon to present an affective and Augustinian vision of salvation as a pedagogy of desire In articulating this vision Zahl engages critically with recent emphasis on participation and theosis in Christian soteriology and charts a new path forward for Protestant theology in a landscape hitherto dominated by the theological visions of Barth and Aquinas

Good News for Anxious Christians Phillip Cary,2010-10-01 Like a succession of failed diet regimens the much touted techniques that are supposed to bring us closer to God in our hearts can instead make us feel anxious frustrated and overwhelmed How can we meet and know God with ongoing joy rather than experiencing the Christian life as a series of guilt inducing disappointments Phillip Cary explains that knowing God is a gradual long term process that comes through the Bible experienced in Christian community not a to do list designed to help us live the Christian life right This clearly written book covers ten things Christians don t have to do to be close to God such as hear God s voice in their hearts find God s will for their lives and believe their intuitions are the Holy Spirit Cary skillfully unpacks the riches of traditional Christian spirituality bringing the real good news to Christians of all ages

Anxiety in Christian Experience Wayne Edward Oates,1955

The Philosophy of Emmanuel Falque Nikolaas Cassidy-Deketelaere,2026-01-22 The first English language introduction to the work and thought of contemporary French philosopher of religion Emmanuel Falque

The Psychological Anthropology of Wayne Edward Oates Samuel E. Stephens,2020-07-24 Theological education has historically placed a strong emphasis on Scripture as the source of principle and practice for ministry However when it comes to the arena of counseling this has largely not been the case Focusing on the significant influence of Wayne Edward Oates 1917-1999 the author seeks to explore how and why the American Protestant church arrived at the place where psychological

counseling has become the norm and biblical counseling is treated as novel A detailed study of Oates anthropology which served as the heart of his counseling theory and practice demonstrates that it was shaped and informed by secular concepts values and principles instead of what God has to say about who we are as people what plagues our souls and where we find our true hope and healing This subtle shift from the theological to the therapeutic has contributed to a much broader view from many in the church that counseling is more of a clinical and professional service rather than a personal or pastoral ministry of the Scriptures Through these unsettling warnings and implications the author hopes that the church will see the importance of once again engaging with the God glorifying Christ honoring and Spirit empowering ministry of counseling

The Anxious Christian Rhett Smith,2012-03-01 Is anxiety un Christian Many Christians believe the answer to this question is yes Understandably then many Christians feel shame when they are anxious They especially feel this shame when well intentioned fellow believers dismiss or devalue anxiety with Christian platitudes and Bible verses Rhett Smith Licensed Marriage and Family Therapist helps us understand anxiety in a new way Rhett argues that rather than being destructive or shameful anxiety can be a catalyst for our spiritual growth Using Biblical thinking and personal examples Rhett explains how anxiety allows us to face our resistance and fears understand where those fears come from and then make intentional decisions about issues such as career marriage money and our spiritual lives Allow this book to challenge your view of anxiety and allow God to use your anxiety for good Anxiety in Christian Experience Wayne E. Oates,1965 **Whatever Is True** William Woodington,2020-01-01 How do I relieve my anxiety For Christians struggling with anxiety Bible passages that say Don t be anxious about anything or Do not worry may feel more challenging than comforting Does God not understand that anxiety isn t something that you can just stop Of course not God knows the struggles his people are facing he knows the struggles you are facing Then how are we supposed to understand these Bible passages How are we supposed to handle and relieve anxiety What s the solution While books on anxiety and mental health can be found in any store many of them tell readers to help themselves Author William Woodington a sufferer of chronic anxiety takes a different approach to handling anxiety by reminding believers that all of their help comes from the Lord Whatever Is True will equip you with numerous Bible passages to help you face and handle your anxiety with the comforting truth of the gospel Armed with a new perspective on suffering and filled with the assurance of God s love you will discover an unending source of peace comfort and strength through this book *The Congregationalist and Christian World* ,1902 **Modern Psychology and the Validity of Christian Experience** Cyril Henry Valentine,1929 **A Journal of the Life, Gospel labours and Christian experiences of ...
