William Hay Macdowall Hunter AITKEN,1876 China's Millions ,1900 **Any Ordinary Day** Leigh Sales,2019-02 As a journalist Leigh Sales often encounters people experiencing the worst moments of their lives in the full glare of the media But one particular string of bad news stories and a terrifying brush with her own mortality sent her looking for answers about how vulnerable each of us is to a life changing event What are our chances of actually experiencing one What do we fear most and why And when the worst does happen what comes next In this wise and layered book Leigh talks intimately with people who ve faced the unimaginable from terrorism to natural disaster to simply being in the wrong place at the wrong time Expecting broken lives

she instead finds strength hope even humor Leigh brilliantly condenses the cutting edge research on the way the human brain processes fear and grief and poses the questions we too often ignore out of awkwardness Along the way she offers an unguarded account of her own challenges and what she s learned about coping with life s unexpected blows Warm candid and empathetic this book is about what happens when ordinary people on ordinary days are forced to suddenly find the resilience most of us don t know we have
