Aphorisms and Other Observations Joseph Prescott,1995 Geary's Guide to the World's Great Aphorists James Geary,2008-12-08 Both an expert and a collector James Geary has devoted his life to aphorisms and the last few years to organizing indexing and even translating them The result is Geary s Guide featuring aphorists like Voltaire Twain Shakespeare Nietzsche Woody Allen Muhammad Ali Emily Dickinson and Mae West as well as international practitioners appearing in English for the first time But it is more than just a conventional anthology It is also an encyclopedia containing brief biographies of each author in addition to a selection of his or her aphorisms The book is a field guide too with aphorists organized into eight different species such as Comics Critics Icons and Painters Poets The book s two indexes by author and by subject make it easily searchable while its unique organizational structure and Geary s lively biographical entries set it apart from all previous reference works A perfect follow up to Geary s New York Times bestseller *The World in a Phrase* Geary s Guide is eminently suitable for browsing or for sustained reading A comprehensive guide to our most intimate idiosyncratic literary form the book is an indispensable tool for writers and public speakers as well as essential reading for all language lovers
