Gender in Post-9/11 American Apocalyptic TV Eve Bennett,2019-01-10 In the years following 9 11 American TV developed a preoccupation with apocalypse Science fiction and fantasy shows ranging from Firefly to Heroes from the rebooted Battlestar Galactica to Lost envisaged scenarios in which world changing disasters were either threatened or actually took place During the same period numerous commentators observed that the American media

s representation of gender had undergone a marked regression possibly it was suggested as a consequence of the 9 11 attacks and the feelings of weakness and insecurity they engendered in the nation s men Eve Bennett investigates whether the same impulse to return to traditional images of masculinity and femininity can be found in the contemporary cycle of apocalyptic series programmes which like 9 11 itself present plenty of opportunity for narratives of damsels in distress and heroic male rescuers However as this book shows whether such narratives play out in the expected manner is another matter
