## **Apocalyptic Talkshow:**

*Apocalyptic Talkshow* Tom Clark, 1987      **After the End** James Berger, 1999 In this study of the cultural pursuit of the end and what follows Berger contends that every apocalyptic depiction leaves something behind some mixture of paradise and wasteland Combining literary psychoanalytic and historical methods Berger mines these depictions for their weight and influence on current culture He applies wide ranging evidence from science fiction to Holocaust literature from Thomas Pynchon to talk shows from American politics to the fiction of Toni Morrison to reveal how representations of apocalyptic endings are indelibly marked by catastrophic histories      **The Apocalypse Is Everywhere** Anne Rehill, 2009-11-12 This wide ranging exploration of the apocalypse in Western culture seeks to understand how we have come to be so preoccupied with spectacular visions of our own annihilation offering abundant examples of the changing nature of our imagined destruction and predisposing readers to discover many more all around them *The Apocalypse Is Everywhere A Popular History of America s Favorite Nightmare* explores why apocalyptic thinking exists how it has been manifested in Western culture through the ages and how it has woven itself so thoroughly into our popular culture today Beginning with contemporary apocalyptic expressions the book demonstrates how surprisingly widespread they are It then discusses how we inherited them and where they arose Author Annie Rehill surveys the ancient belief systems from which Christianity evolved including ancient Judaism and other faiths She explores the vision outlined in the Book of Revelation and traces the apocalyptic thread through the Middle Ages across the Reformation and Enlightenment and to the Americas Finally to prove that the Apocalypse is indeed everywhere Rehill returns to the present to consider the idea of apocalypse as it occurs in movies books comics and graphic novels games music and art as well as in televangelism and even presidential speeches Her fascinating scholarship will surely have readers looking about them with new eyes      **Cowboy Apocalypse** Rachel Wagner, 2025-02-25 The cowboy apocalypse is a pervasive story replayed in books film television videogames and live action role playing which blends the mythology of the American Western with doomsday prophecies in which the good guy with the gun is the messiah and God has nothing to do with the apocalypse      **International Directory of Little Magazines & Small Presses** Lenard V. Fulton, 1994      *Easter Sunday* Tom Clark, 1987 Poems written between 1962 and 1987 encompassing Clark s full range of concerns life and death love and regrets history and 20th century society      **Apocalypse show** Raúl Rodríguez Ferrándiz, 2001 El intelectual lleva medio siglo fascinado y a la vez abochornado por la televisión intrigado por su poder de atracción y sugestión sobre los demás e irritado por esa influencia manipuladora para unos modelos de mal gusto e incivildad para otros La imagen perdurable del intelectual de fin de milenio ya no ser la del pensador o la del lector sino la del severo telespectador Piensa y escribe desde luego pero con la pantalla del televisor como manifiesto antagonista o como secreto horizonte En este libro se analizan y se discuten las últimas bazas del intelectual llamado un día apocalíptico y también las que emplea el nuevo intelectual integrado en relación con una también remozada neotelevisión Esa
