Fathers Joseph Barber Lightfoot,John Reginald Harmer,Michael William Holmes,1992 **The Apostolic Fathers** Joseph Barber Lightfoot,John Reginald Harmer,1988 **The Apostolic Fathers** Joseph Barber Lightfoot (Bp. of Durham),1984

The Fellowship of the Throne in John's Apocalypse Fabián Santiago,2020-07-31 What relevance does the book of Revelation hold for our lived reality within secular societies In this book Dr Fabi n Santiago explores concepts of authority society and political power against the backdrop of the Apocalypse and in conversation with Oliver O Donovan s political theology Santiago offers a reading of Revelation that does not bypass its exegetical complexities but instead allows for new possibilities of engagement He investigates the conception of authority presented in Revelation a conception centered on the throne of God and transformed by the exalted Jesus and argues that this divine authority ultimately correlates with the Fellowship of the Throne a liturgical community mediated by the risen Christ An excellent resource for students of political theory and theology Christology and biblical narrative this book offers a powerful theo political critique of secular discourse on the nature of political authority Studies on the Text of the New Testament and Early Christianity Daniel Gurtner,Juan

Hernández, Jr.,Paul Foster,2015-09-29 The collection of essays focuses on the twin areas of research undertaken by Prof Michael W Holmes These are the sub disciplines of textual criticism and the study of the Apostolic Fathers The first part of the volume on textual criticism focuses on issues of method the praxis of editing and collating texts and discussions pertaining to individual variants The second part of the volume assembles essays on the Apostolic Fathers There is a particular focus on the person and writings of Polycarp since this is the area of research where Prof Holmes has worked most intensively *From Heaven He Came and Sought Her* David Gibson,Jonathan Gibson,2013-11-30 There is a palpable sense of confusion and sometimes even embarrassment with regard to so called limited atonement today pointing to the need for thoughtful engagement with this controversial doctrine Incorporating contributions from a host of respected theologians

From Heaven He Came and Sought Her stands as the first comprehensive resource on definite atonement as it examines the issue from historical biblical theological and pastoral perspectives Offering scholarly insights for those seeking a thorough and well researched discussion this book will encourage charitable conversations as it winsomely defends this foundational tenet of Reformed theology The epub edition of this title will not display correctly when viewed on Adobe Digital Editions Hebrew characters will be inaccurately displayed in this reader *God's Dangerous Book* Nick Page,2011-04-01 God s

Dangerous Book is the dramatic story of the history of the Bible More its a book about how the Bible has always been a dangerous provocative text The Bible is more than just a piece of literature It s a challenge an inspiration a wild unsettling mandate for revolutionary behaviour And that is exactly how people have used it over the years for good and ill Uniquely

presented God's Dangerous Book draws together story and scholarship with lively accounts of the people powers and incidents involved in bringing the Bible in the language of the people into English Informative thought provoking and very readable this is a book that will help you discover the story behind the world's bestseller It tells how the Bible was created how it became a best selling book and the effects it had on those who encountered it Through a discussion of democracy and literacy learning and communication this book shows how the Bible is above all about freedom and why Gandhi described God's book as containing enough dynamite to blow all civilisation to pieces Converting the Blue Devils: Becoming Catholic at Duke Joshua Miller, D. Hayden Hagerman, 2025-09-10 Converting the Blue Devils presents the stories of nine friends and colleagues who studied at Duke Divinity School and eventually converted or reverted to the Catholic faith While each man tells the story of his own unique journey they all arrive at the same destination the conviction that the fullness of the Christian truth goodness beauty and unity they long for is found in the Catholic Church What was it that made Duke during these years so amenable to Catholicism This volume attempts an answer and in so doing it sheds light on a wider movement of young orthodox intellectually motivated Christians who are turning to the truth that flows from the Tiber

Sōtēria: Salvation in Early Christianity and Antiquity David du Toit, Christine Gerber, Christiane Zimmermann, 2019-07-01 In S t r i a Salvation in Early Christianity and Antiquity an international team of scholars assembles to honour the distinguished academic career of New Testament scholar Cilliers Breytenbach Colleagues and friends consider in which manner concepts of salvation were constructed in early Christianity and its Jewish and Graeco Roman contexts Studies on aspects of soteriology in the New Testament writings such as in the narratives on Jesus life and work and theological interpretations of his life and death in the epistolary literature are supplemented by studies on salvation in the Apostolic Fathers Marcion early Christian inscriptions and Antiochian theology The volume starts with some exemplary studies on salvation in the Hebrew Bible the Dead Sea scrolls the Septuagint and popular Graeco Roman literature and philosophy Furthermore some contributions shed light on the ancient cultural background of early Christian soteriological concepts The Writings of the Apostolic Fathers Paul Foster, 2007-03 A comprehensive introduction to the writings of the Apostolic Fathers Heroes and Heretics Insight for Living, Michael J. Svigel, 2006 With growing popular interest because of television movies and books unbelieving historians are teaching that the early church was filled with lost scriptures church conspiracies and even radical changes to the Bible itself Most Christians have no idea how to respond to the questions they raise This unique resource gives you a crash course on the most important people events and ideas of the earliest Christians following the New Testament period In its pages you'll discover what every believer should know about the early church and why The Apostolic Fathers Wilhelm Pratscher, 2010 The Apostolic Fathers represents the best and latest in German language scholarship on the Apostolic Fathers now available in this exclusive English edition Crafted by an expert team of scholars The Apostolic Fathers offers introductions to the works comprising this early Christian corpus fully equipped with

cutting edge discussion of important topics including theological profiles intertextuality intellectual milieus and anti Jewish polemics The foreword by Wilhelm Pratscher and closing chapter by J rg Ulrich cap off this learned handling of the Fathers locating them within the history of scholarship even while pointing the way for new avenues of study
