Appalachia A Separate Place A Unique People

RD Boyd

Appalachia A Separate Place A Unique People:

Appalachia Christine Bray Daugneau, 1981 **Dictionary of Southern Appalachian English** Michael B.

Montgomery, Jennifer K. N. Heinmiller, 2021-06-22 The Dictionary of Southern Appalachian English is a revised and expanded edition of the Weatherford Award winning Dictionary of Smoky Mountain English published in 2005 and known in Appalachian studies circles as the most comprehensive reference work dedicated to Appalachian vernacular and linguistic practice. Editors Michael B. Montgomery and Jennifer K. N. Heinmiller document the variety of English used in parts of eight states ranging from West Virginia to Georgia, an expansion of the first edition's geography which was limited primarily to North Carolina and Tennessee and include over 10,000 entries drawn from over 2,200 sources. The entries include approximately 35,000 citations to provide the reader with historical context, meaning, and usage. Around 1,600 of those examples are from letters written by Civil War soldiers and their family members, and another 4,000 are taken from regional oral history recordings. Decades in the making, the Dictionary of Southern Appalachian English surpasses the original by thousands of entries. There is no work of this magnitude available that so completely illustrates the rich language of the Smoky Mountains and Southern Appalachia.

Annotated Bibliography of Southern American English James B.

McMillan, Michael B. Montgomery, 2018-12-11 A collection of the total range of scholarly and popular writing on English as spoken from Maryland to Texas and from Kentucky to Florida. The only book-length bibliography on the speech of the American South, this volume focuses on the pronunciation, vocabulary, grammar, naming practices, word play, and other aspects of language that have interested researchers and writers for two centuries. Compiled here are the works of linguists, historians, anthropologists, sociologists, and educators, as well as popular commentators. With over 3,800 entries, this invaluable resource is a testament to the significance of Southern speech, long recognized as a distinguishing feature of the South and the abiding interest of Southerners in their speech as a mark of their identity. The entries encompass Southern dialects in all their distinctive varieties, from Appalachian to African American and sea islander to urbanite.

Gone Dollywood Graham Hoppe, 2018-03-15 Dolly Parton isn't just a country music superstar. She has built an empire. At the heart of that empire is Dollywood, a 150-acre fantasy land that hosts three million people a year. Parton's prodigious talent and incredible celebrity have allowed her to turn her hometown into one of the most popular tourist destinations in America. The crux of Dollywood's allure is its precisely calibrated Appalachian image itself, drawn from Parton's very real, hard-scrabble childhood in the mountains of east Tennessee. What does Dollywood have to offer besides entertainment? What do we find if we take this remarkable place seriously? How does it both confirm and subvert outsiders' expectations of Appalachia? What does it tell us about the modern South, and in turn, what does that tell us about America at large? How is regional identity molded in service of commerce, and what is the interplay of race, gender, and class when that happens? In *Gone Dollywood*, Graham Hoppe blends tourism studies, celebrity studies, cultural analysis, folklore, and the acute observations and personal

reflections of longform journalism into an unforgettable interrogation of Southern and American identity *Appalachia's Children: The Challenge of Mental Health* David H. Loeff, 1971 The analysis of the developmental experiences and resulting personality patterns of Southern Appalachian children is based upon fieldwork in psychiatric clinics in eastern Kentucky where diagnostic evaluation and treatment were provided for emotionally disturbed children Observations on the mental health or mental disorder of the children are made concurrently with and in the light of observations on the ways in which eastern Kentucky families raise their children and on the kinds of adjustments to life that these children make The historical geographic and socioeconomic characteristics of the region in addition to characteristic family life styles and child rearing practices are presented as the necessary context for understanding the children's mental health problems Mental disorders are viewed largely as social phenomena and mental health or disorder is seen as firmly embedded in the social matrix The study of family structure and interrelationships reveals three prominent themes influential in child development emphasis on infancy of the children and family closeness poor development of verbal skills and the consideration of sexual maturation and functioning as a tabooed topic Instances of emotional disturbance discussed are grouped accordingly dependency themes communication patterns and psychosexual themes Kw *Bulletin* Special Libraries Association. Geography and Map Division, 1982 **Mountain Life and Work**, 1983 Vols 1 12 include proceedings of the 13th 24th annual Conference of southern mountain workers **Books in Print**, 1982 *West Virginia History*, 1982 **America, History and Life**, 1985 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide The North Carolina Historical Review, 1983 Mountain Life & Work, 1981 Vols 1 12 include proceedings of the 13th 24th annual Conference of southern mountain workers *Trying to Give Ease* J. K. Crellin, Jane Philpott, 1997 The authors here focus on the life practices and accumulated knowledge of the late Appalachian herbalist Tommie Bass This book merits praise as one of the best investigations of an herbalist and his context in the literature of folk medicine and as a powerful synthesis of important historical social and psychological factors in general folk medicine NEWSLETTER OF THE NORTH CAROLINA FOLK SOCIETY Herbal Medicine Past and Present: Trying to give ease J. K. Crellin, Jane Philpott, 1990 *Bibliographic Guide to North American History*, 1984 *Signs, Cures, & Witchery* Gerald Milnes, 2007 The persecution of Old World German Protestants and Anabaptists in the seventeenth century following debilitating wars the Reformation and the Inquisition brought about significant immigration to America Many of the immigrants and their progeny settled in the Appalachian frontier Here they established a particularly old set of religious beliefs and traditions based on a strong sense of folk spirituality They practiced astrology numerology and other aspects of esoteric thinking and left a legacy that may still be found in Appalachian folklore today Based in part on the author's extensive collection of oral histories from the remote highlands of West Virginia *Signs Cures and Witchery German Appalachian Folklore* describes these various occult practices symbols and beliefs how they evolved within New World

religious contexts how they arrived on the Appalachian frontier and the prospects of those beliefs continuing in the contemporary world By concentrating on these inheritances Gerald C Milnes draws a larger picture of the German influence on Appalachia Much has been written about the Anglo Celtic Scots Irish and English folkways of the Appalachian people but few studies have addressed their German cultural attributes and sensibilities Signs Cures and Witchery sheds startling light on folk influences from Germany making it a volume of tremendous value to Appalachian scholars folklorists and readers with an interest in Appalachian folklife and German American studies **Sense of Place in Appalachia** S. Mont Whitson,1988

Appalachian Mental Health Susan E. Keefe,1988-09-29 In this book 17 psychologists anthropologists social workers and others explore important theoretical and applied issues concerning the mental health of Appalachian people Rejecting the view of Appalachia as an area dominated by a culture of poverty these papers portray a strong regional culture based on family community and religion This cultural context has implications for development of mental health problems and coping skills and for delivery of mental health services Part I The Appalachian Context contains papers on past and present Appalachian cultural systems Appalachian family ties and religion in southern Appalachia Part II Sociocultural Systems and Mental Health Problems contains papers on adaptive socialization values of low income Appalachian mothers gender class and self image the social context of nerves in eastern Kentucky and social support networks of families with handicapped children Part III contains three papers on factors affecting the use of mental health services ways to enhance service utilization and differences in service utilization between Appalachians and non Appalachians Part IV Cultural Considerations in Therapeutic Encounters contains papers on cross cultural conflict between providers and local staff members and clients Appalachian family therapy and hospitalized Appalachian adolescents Part V contains two papers on Problems and Promise in Appalachian Mental Health Service Delivery SV *The Kentucky Encyclopedia* John E. Kleber,2014-10-17 The Kentucky Encyclopedia s 2 000 plus entries are the work of more than five hundred writers Their subjects reflect all areas of the commonwealth and span the time from prehistoric settlement to today s headlines recording Kentuckians achievements in art architecture business education politics religion science and sports Biographical sketches portray all of Kentucky s governors and U S senators as well as note congressmen and state and local politicians Kentucky s impact on the national scene is registered in the lives of such figures as Carry Nation Henry Clay Louis Brandeis and Alben Barkley The commonwealth s high range from writers Harriette Arnow and Jesse Stuart reformers Laura Clay and Mary Breckinridge and civil rights leaders Whitney Young Jr and Georgia Powers to sports figures Muhammad Ali and Adolph Rupp and entertainers Loretta Lynn Merle Travis and the Everly Brothers Entries describe each county and county seat and each community with a population above 2 500 Broad overview articles examine such topics as agriculture segregation transportation literature and folklife Frequently misunderstood aspects of Kentucky s history and culture are clarified and popular misconceptions corrected The facts on such subjects as mint juleps Fort Knox Boone s coonskin cap the Kentucky hot brown and Morgan s

Raiders will settle many an argument For both the researcher and the more casual reader this collection of facts and fancies about Kentucky and Kentuckians will be an invaluable resource **Appalachian Outlook** ,1977
