Investment Banking and Investment Opportunities in China K. Thomas Liaw, 2007-09-10 Praise for Investment Banking Investment Opportunities in China I first met Tom Liaw when my company was exploring potential opportunities in Taiwan He clearly knew the market and proved invaluable in explaining the financial landscape and in arranging meetings with potential clients other market participants and senior government officials Investment Banking and Investment Opportunities in China should prove equally valuable as we now look to further expand our activities to mainland China Douglas Reinfeld Miller EVP Ambac Assurance and Chairman CEO Ambac Assurance UK Ltd There is no more important market than China today Dr Liaw s book provides an overview of the current situation and recommendations as to how investors can profit from China s amazing growth Donald Tang Chairman Bear Stearns Asia Ltd and Vice Chairman Bear Stearns Co Inc Professor Liaw s book takes you on a quick walk through the major milestones in China s economic development over the past two decades It shows a clear understanding of the environment for doing business in China and explains hot topics in the marketplace This book is simple easy to read and yet highly informative Jesse Wang Vice Chairman China Central SAFE Investments Ltd and Chairman China International Capital Corporation Ltd Provides a clear map of China s financial system investment banking business and investment opportunities It should be read by all who are interested in China Mao Wei Hung Dean College of Management National Taiwan University Dr Liaw s book is a comprehensive professional reference work for those of us involved in the global investment arena I highly recommend it Charles P Menges Jr CFA Principal Business Global Wealth Management a Unit of Alliance Bernstein LP China s development has a unique track including the financial market People who want to profit from China should have a clear view of this market Dr Liaw s book explaining China s market opening and foreign participation is the one necessary for them to read Wei Xing Director of Rules and Regulations China Insurance Regulatory Commission Corporate Valuation for Portfolio Investment Robert A. G. Monks, Alexandra Reed Lajoux, 2010-11-09 A detailed guide to the discipline of corporate valuation Designed for the professional investor who is building an investment portfolio that includes equity Corporate Valuation for Portfolio Investment takes you through a range of approaches including those primarily based on assets earnings cash flow and securities prices as well as hybrid techniques Along the way it discusses the importance of qualitative measures such as governance which go well beyond generally accepted accounting principles and international financial reporting standards

and addresses a variety of special situations in the life cycle of businesses including initial public offerings and bankruptcies

Engaging and informative Corporate Valuation for Portfolio Investment also contains formulas checklists and models that the authors or other experts have found useful in making equity investments Presents more than a dozen hybrid approaches to valuation explaining their relevance to different types of investors Charts stock market trends both verbally and visually enabling investors to think like traders when needed Offers valuation guidance based on less quantitative factors namely management quality and factors relating to the company and the economy Corporate Valuation for Portfolio Investment puts this dynamic discipline in perspective and presents proven ways to determine the value of corporate equity securities for the purpose of portfolio investment
