Mannion, 2024-06-04 In the 20th and 21st centuries where violence has scarred countless lives the interplay between religion politics and conflict remains a complex web Exiting Violence looks to untangle some of these knots showing not only how faith can ignite bloodshed but also how it can inspire peace and build bridges Resulting from an international collaboration between the Fondazione Bruno Kessler RESET Dialogues Among Civilizations and the Berkley Center for Religion Peace and World Affairs this collection assesses the state of scholarship and explores the differing ways in which religion can contribute to societies and communities exiting situations of violence and hatred From Biblical hermeneutics to Buddhism from secularism to legal systems Exiting Violence offers a nuanced and thought provoking exploration of the multifaceted role religion plays in the human struggle for peace and justice **A Short Course in the Philosophy of Religion** George Pattison, 2001 Aimed at introductory students and general readers interested in thinking and God in the context of modern thought and experience Discusses work by Kant Dostoevsky and Heidegger amongst others

Philosophy's Own Religion Don Cupitt, 2000 In this book Don Cupitt presents his systematic philosophy of religion He begins by showing what is wrong with the way the subject is usually taught scraps from various philosophies of the past are selected for use in the service of an agenda controlled by theology Inevitably the result is something closer to religious apologetics than to genuine philosophy Cupitt sets out his alternative approach in two parts The first is a democratic metaphysics Cupitt describes popular systematic philosophy as being today the most urgently needed and yet the most neglected kind of philosophy He describes his own position as combining nihilism with radical humanism and as a language mediated radical religious humanism From this Cupitt then derives philosophy's own religion It is without dogma It is a religion of life in which we learn to say Yes to transience to practise expressive or solar living and to be humanitarians in

social ethics r Philosophy s own religion is the religious outlook we would come tQ if we were to make a new beginning and to be strictly rational It is not wholly novel versions of it crop up often in the history of philosophy Another version of it was the very earliest form of Christianity the kingdom theology of Jesus and the first generation
