Apache Revenge:

Apache Revenge Dodge Tyler,1997 Everyone knows there is no deadlier enemy in the West than a fierce Apache warrior except maybe Dan l Boone But when the Apache capture his niece as a trophy it becomes more than a battle for Dan l it becomes personal Turning Adversity to Advantage Nancy McGown Minor,2009-10-05 Turning Adversity to Advantage is the story of the Lipan Apaches who are now one of the forgotten Indian tribes of Texas and northern Mexico yet they were once one of the largest and most aggressive tribes of the Rio Grande region They were as much a part of the landscape as mesquite trees or cactus and proved just as deadly to their enemies as the rattlesnakes coiled among the rocks Modern borderland residents are left with only a few vague rumors of their past presence and even scholars fail to credit the tribe s impact on the history of the region The historical record is replete with examples of what the Lipans did now it is time to discover the why The story of the history of the Lipan Apaches is a tale of survival and preservation in the face of incredible challenges Time and again the Lipan Apaches were able to overcome obstacles and turn them to the tribe s advantage
