Apartheid Is A Heresy:

Apartheid Is a Heresy John W. De Gruchy, Charles Villa-Vicencio, *The Declaration of Apartheid as a Heresy* Allan Boesak, St. Mary the Great (Church : Cambridge, England), 1984 **Apartheid is a Heresy** Ann Naylor, 198? **The Heresy of Apartheid**, 1980 **Reformed Churches in South Africa and the Struggle for Justice** Marry-Anne Platjies-Van Huffel, Robert Vosloo, 2013-11-01 The various contributions in this informative and exciting volume explore the ambivalent and complex history of Reformed faith during the years 1960 to 1990 in apartheid South Africa In the process light is shed on the role of Reformed churches in the struggle for justice freedom and dignity Parameters are simultaneously provided for defining the public role of Reformed faith in contemporary South Africa in the context of Africanisation and globalisation Prof Nico Koopman Dean of the Faculty of Theology Stellenbosch University **The Month**, 1988 John Calvin's Institutes of the Christian Religion Bruce Gordon, 2016-05-17 An essential biography of the most important book of the Protestant Reformation John Calvin s Institutes of the Christian Religion is a defining book of the Reformation and a pillar of Protestant theology First published in Latin in 1536 and in Calvin s native French in 1541 the Institutes argues for the majesty of God and for justification by faith alone The book decisively shaped Calvinism as a major religious and intellectual force in Europe and throughout the world Here Bruce Gordon provides an essential biography of Calvin s influential and enduring theological masterpiece tracing the diverse ways it has been read and interpreted from Calvin s time to today Gordon explores the origins and character of the Institutes looking closely at its theological and historical roots and explaining how it evolved through numerous editions to become a complete summary of Reformation doctrine He shows how the development of the book reflected the evolving thought of Calvin who instilled in the work a restlessness that reflected his understanding of the Christian life as a journey to God Following Calvin s death in 1564 the Institutes continued to be reprinted reedited and reworked through the centuries Gordon describes how it has been used in radically different ways such as in South Africa where it was invoked both to defend and attack the horror of apartheid He examines its vexed relationship with the historical Calvin a figure both revered and despised and charts its robust and contentious reception history taking readers from the Puritans and Voltaire to YouTube the novels of Marilynne Robinson and to China and Africa where the Institutes continues to find new audiences today **Leading God's People** Richard Bondi, 1989 In *Leading God's people* Richard Bondi discusses the risky business of exercising true pastoral leadership He recognizes that leaders who live only at the edge of a community can become detached from their community and unable to lead while those who commandeer the center can end up protecting its interests from dangerous opportunities at the edge Bondi thus engages in critical reflection on the church s mission to increase love for God and neighbor without the leader becoming paralyzed at either extreme Vivid stories of men and women in real life situations are interwoven throughout to demonstrate the temptation to play it safe at the risk of faithful leadership These stories provide a language for facing morally difficult

pastoral situations and offer thought provoking ethical reflection instead of supplying easy answers Bondi draws from current work in narrative theology and character ethics to help develop an ethics for the practice of ministry Among Bondi s examples of transforming and transformative leadership are the apostle Paul Martin Luther King Jr and Alan Boesak Such leaders call us to become different kinds of people in order to embody the truth of the Christian story In addition to telling other great stories they all told the story of Christ an gave a destination to restless hearts How they did so and how others might do so as well is the story of the moral leader the leader who stands at the edge of the community where change and challenge occur from back cover
