Boutwell,2014-05-13 Every person as imagined what it would be like to wake up one morning and discover they were the only person left alive on Earth The Event **Apocalypse Dawning** has taken a new twist in this fantasy There is no cataclysmic destruction of the earth no lingering virus or mutated brain eating zombies There is however a selective culling of the population Ninety five percent of the Earth s population vanishes in a blink of an eye Left are the few survivors separated from each other absent the governments which ruled them and the moral and ethical laws of society which guides them Each man becomes a new Adam And each woman becomes a new Eve If humanity is to survive somehow these castaway remnants must find each other and establish new societies which my or may not necessarily be patterned after the old ways Dan Jackson wakes up one morning and he is faced with the task of living without the rest of humanity At first he finds he has an abundance of everything All the goods in all the stores every vehicle made all the mansions and penthouses are his toys now In effect he owns the world He encounters one other person a female He is faced with the question as to the nature of courtship when there is only one female and you are the only male He also discovers man is no longer the dominant species on earth He is now a just another member of the food chain Predators such as wolves now rule the land predators who have no fear of humans In The Event **Apocalypse Dawning** Dan Boutwell weaves a tale which challenges human capability and intelligence adding a twist on the usual apocalyptic or survivalist tale causing the reader to consider what if **Apocalypse Dawn** Robert Miller,2013-04-03 The world as they know it is gone Family friends and coworkers no longer exist To survive and rebuild society they must join other strangers with dark secrets of their own And that s just the beginning **Apocalypse Dawn The Beginning of the End** is the first in a three book series that follows a group of people left to fend for themselves after an apocalyptic event changes the landscape of the world forever Vincent Tisdale is an average man with an average life

that is brutally ripped from him when he loses his wife and his daughter during the event Marty Nasland sees the apocalypse as a second chance to redeem himself for his past sins if only he could tell his son Adam just what those sins are and how they had hurt him The three men band together to travel to a remote farm in Ohio where other survivors are coming together and trying to form their own society Standing in their way is the evil David Michael Engle who after discovering his true heritage wants to make sure the earth stays as sinful as it ever was His vision for the world is the antithesis of Vince s and Vince knows it is just a matter of time before his group must rise against Engle and his dark forces Little does Vince know however that there may be one hiding among his group who s ideas mirror Engle s and who s actions just may be Vince s downfall

and Popular Culture Ole Jakob Løland, Anders Martinsen, 2025-07-08 This book is an accessible overview of the Bible's complex and evolving reception in popular culture. Drawing on biblical interpretations in TV, film, and music, it demonstrates the enduring diversity of the Bible's reception history. Ranging from Genesis and Exodus of the Hebrew Bible to the Gospels and Revelation of the New Testament, its biblical chronology takes a book-by-book format that locates and examines various examples of how these texts have been read, received, and interpreted. Case studies include *The Handmaid's Tale*, Exodus, *Gods and Kings*, *The Da Vinci Code*, and *Family Guy*. Woven within these chapters is fresh analysis of how themes of parody, satire, sex, and conspiracy appear in these biblical interpretations. This book is an engaging resource for students encountering biblical reception history in popular culture for the first time, and it will also be of wider interest to those intrigued by the interplay between religion, culture, and media.

[The Called to Serve Collection: Deployed / Renegade](#) Mel Odom, 2018-10-01 This collection bundles both titles from Mel Odom's *Called to Serve* series into one eBook for a great value. 1. *Deployed*: Lance Corporal Bekah Shaw joined the United States Marine reserves to help support herself and her son when her ex-husband Billy Roy decided they were no longer his responsibility. But when her team is activated and sent to Somalia on a peacekeeping mission, Bekah struggles with being separated from her son and vows to return safely. Once a successful Somali businessman, Rageh Daud has lost everything. Determined to seek revenge on the terrorists who killed his wife and son, he teams up with a group of thieves, killers, and others displaced by war. Despite his better judgment, Daud becomes the protector of a young orphaned boy who becomes a pawn between the warring factions. To defeat the terrorists and bring peace to the region, Bekah and her team must convince Daud that they are on the same side. 2. *Renegade*: Having grown up in the foster system, Private Pike Morgan's rough exterior and problem with authority earn him few friends among his fellow Marines. When he's not on missions for the Marine Reserve, Pike's rebellious attitude and eagerness for vigilante justice have the local police regularly at his doorstep. Struggling to set down roots and nervous of his desire to answer the military's call for another deployment on a peacekeeping mission to Afghanistan, Pike and his squad soon find themselves entrenched in a heated war zone. After an American journalist is kidnapped by known terrorist Zalmay Yaqub, the whereabouts of this al-Qaeda leader become a top priority for the American military. But when Yaqub flees to Pakistan, will anyone aid Pike in his hunt, or will this strong Marine find himself without an ally.
