## **Apostles And The Emerging Apostolic Movement:**

*Apostles and the Emerging Apostolic Movement* David Cannistraci, 1998-11 The co pastor of Evangel Christian Fellowship presents a clear careful biblical treatment of the evidence for modern day apostles and practical step by step guidance on becoming an apostolic Christian

**A New Apostolic Reformation?** R. Douglass Geivett, Holly Pivec, 2018-07-25 This critique provides a framework for understanding and interpreting the widespread but little known New Apostolic Reformation movement As the authors state in the preface We write this book with two major goals in mind First to give people an idea of the sheer size and reach of the NAR movement And second to systematize its key teachings and practices and evaluate them on the basis of Scripture and careful reasoning In our judgment the NAR perspective crosses these boundaries that is certain broad parameters revealed in Scripture and practiced in the historical orthodox church and it does so in part because of flawed theology rooted in a flawed understanding of Scripture

[Apostles and Prophets in the New Apostolic Movement](#) Ronald E Cottle, 2022-11-26 A new season has dawned upon the Church of Jesus Christ It is a new Apostolic Reformation It calls for a complete re forming of the Church as we know it It calls for a metamorphosis Metamorphosis transformation from the inside out One of the key developments of the Ekklesia God s instrument for bringing in the Kingdom is the clear powerful and dynamic relationship between the 21st century Apostles and Prophets within it This is a primary relationship that must be working and strong in a healthy Ekklesia This book study will focus on the alignment of Apostles and Prophets for End Time ministry A part of this new Apostolic Reformation is the restoration of the office and ministry of Apostles and Prophets in their proper alignment in the five fold government of the Ekklesia These two primary fingers of God are most important in the mission of God for this season

**The New Apostolic Reformation** John Weaver, 2016-04-27 From Justin Bieber to Sarah Palin and Michele Bachmann to the controversial documentary Jesus Camp 2006 the New Apostolic Reformation s influence can be seen everywhere in mainstream America Beginning with an examination of the Latter Rain Church Growth and Shepherding movements this book explores how the new Reformation has become one of the most powerful movements in modern evangelical Christianity and a major influence on American political and cultural life The author describes the New Apostolic Reformation s organization how the movement spread and its national and international objectives

**The Apostolic Ministry** Rick Joyner, 2006-10 The Apostolic Ministry Rick Joyner explains how the restoration of the apostolic ministry will be one of important events at the end of the church age The ministry that opened the church age will be the one that closes it He covers questions such as What is an apostle Are there apostles today What authority do they have How do we recognize false apostles What will the apostolic church look like

**Modern Day Apostles & Prophets** Les D Crause, 2021-04-14 This Is What Apostles and Prophets Look Like Now Just before the end of the last century the ministry and office of the Prophet were restored to the Church Apostle Les was involved in helping pave the way for this and he presented the first clear teachings on the Prophetic Office A while later as the new century dawned the first signs of a new Apostolic Movement began to appear And once again he was there to present some of the first clear teachings on the Apostolic Office But a lot has happened since then and these two vital ministries have come into clearer focus in recent years Now Apostles and Prophets are appearing everywhere And it has become necessary for us to consolidate what exactly these ministries should look like and how they should function That is the main purpose for this new book on these ministries Here you will find updated teachings on both of these ministries and a clearer understanding of how they are meant to be in the end times in which we live God is once again building His end times church on the foundation of these two essential ministry offices Ephesians 2 19 Now therefore you are no more strangers and foreigners but fellow citizens with the saints and of the household of God 20 And are built upon the foundation of the apostles and prophets Jesus Christ himself being the chief corner stone GBMV If this is where God is taking you then this book is for you *Apostles Today* C. Peter Wagner, 2012-03-08 Transformation of the city was the battle cry in the 1990s How far have we come since then How do

apostles fit into the urban landscape How do they line up with God s plans C Peter Wagner has been writing on these subjects for a number of years and now he brings city transformation and the role of apostles together in one volume This book is a call for apostles to assume their rightful sphere of authority to see God s will accomplished here on earth Wagner relates his decades of experiences and those of others showing the role of apostles not only in the traditional church but also in the extended church Apostles Today offers vision for the role of apostles in healthy churches workplaces and cities

*Toward a Twenty-First Century Biblical, Apostolic Church* SuYeon Yoon,2019-09-19 This book explores biblical values that critique the ecclesiology of the New Apostolic Reformation Church NARC and compares the ecclesiology to other missional movements in the North American context A biblical exegesis of Ephesians 4 11 13 as well as C Peter Wagner s conceptualization of an apostle and apostolic ministry allow the author to demonstrate the gap between the biblical perspective and Wagner s concept of an apostle The biblical role of an apostle is to make the church missional by emphasizing the concept of sending whereas Wagner sees the apostle as a church leader Based upon interviews and participant observation in three NARCs SuYeon Yoon describes the leadership and ecclesiology based on their own self descriptions This book then demonstrates the gap between the biblical and conceptual ideals and the reality of ecclesial practice The author argues that the NARC serves as a charismatic manifestation of a similar cultural response to establish a relational structure for church communities that can appropriately reflect upon and identify with the contemporary context This implies that each movement needs to be biblically sound faithful to its conceptualization and relevant to the context in order to cultivate its own way of being the church

**MacArthur 2-in-1** John F. MacArthur,2014-10-28 The Truth War Right now Truth is under attack and much is at stake Christians are caught in the crossfire of alternative Christian histories emerging faulty texts and a cultural push to eliminate absolute Truth altogether As a result many churches and Christians have been deceived Worse still they propagate the deception that poses itself as Truth In The Truth War John MacArthur reclaims the unwavering certainty of God s Truth and anchors Christians in the eternal immovable promises that are found in His Word Strange Fire What would God say about those who blatantly misrepresent His Holy Spirit who exchange true worship for chaotic fits of mindless ecstasy who

replace the biblical gospel with vain illusions of health and wealth who claim to prophesy in His name yet speak errors and who sell false hope to desperate people for millions of dollars In *Strange Fire* bestselling author and pastor John MacArthur chronicles the unsavory history behind the modern Charismatic movement He lays out a chilling case for rejecting its false prophets speaking out against their errors showing true reverence to the Holy Spirit and above all clinging to the Bible as the inerrant authoritative Word of God and the one true standard by which all truth claims must be tested [The Old and New Apostles: What do they believe?](#) , **God's Super-Apostles** R. Douglass Geivett, Holly Pivec, 2018-07-27 God's Super Apostles provides a concise entry level overview of the key teachings and practices of the New Apostolic Reformation NAR movement This is a key resource in grasping the significance of this global confusing and controversial movement [The Apostolic Movement for Students](#) Team Impact Team Impact Christian University, 2016-05-20 Apostolic ministry is grounded in the fact that the God of Scripture is a sending God who graciously reaches out to a fallen world Jesus is both the supreme revelation of the God who sends and the perfect example of one who is sent as an apostle The church is an apostolic people sent into the world Jesus appointed the Twelve with unique authority as witnesses to the resurrection Paul shared in that unique authority but also demonstrated that the ministry of apostle continues in a functional sense The spiritual gift of apostle is given to individuals to equip the whole church in its apostolic calling Apostles are called by God but their calling is to be recognized by the body of Christ The ministry of an apostle is trans local and involves both church planting and strengthening existing churches The authority of an apostle is determined by the apostle's willingness to be a servant of the gospel and of the body of Christ An apostles are recognized by their pioneering and translocal ministry of church planting and church strengthening Apostles function best as leaders of apostolic bands that are in partnership with local churches Throughout history various individuals at the forefront of the church's mission have demonstrated an apostolic ministry Today a number of models of ministry point the way to the contemporary functioning of apostolic ministry Apostolic ministry functions best when it is conducted in both power and weakness As such it reflects the dual reality of the cross and resurrection in the ministry of the apostle The gift of apostle has been given for the church's strengthening and equipping in its mission Individuals with an apostolic ministry should be recognized and released to that function if the church is to be true to its calling in the world The church began its existence as a missionary movement The church is apostolic not only because its teachings are founded on the Apostles but because it is commanded by Jesus to take the gospel to every people group and wherever the gospel is met with faith to found churches that continue the process **They Call Themselves Apostles** P. J. Hanley, 2017-04-28 What is the New Apostolic Reformation or the New Apostolic Age Where have all the apostles in the Body of Christ come from Are they the ones that will bring heaven down to earth Will the Local Church be replaced by Apostolic Centers Will these apostles transform culture and take the 7 Mountains What is formal alignment Have you or your church been aligned Are end time judgments coming or is everything going to get better now that the apostles

are restored By examining the method and message of the current apostolic movement this book uncovers the true foundation of the Church and the agenda of the Father in the last days By speaking the truth in love it dissolves the clouds of ignorance used by the enemy to tranquilize the Church and lead her astray from the simplicity and purity of devotion to Christ

**Strange Fire** John F. MacArthur, 2013-11-19 In *Strange Fire* bestselling author and pastor John MacArthur chronicles the unsavory history behind the modern Charismatic movement What would God say about those who blatantly misrepresent His Holy Spirit who exchange true worship for chaotic fits of mindless ecstasy who replace the biblical gospel with vain illusions of health and wealth who claim to prophesy in His name yet speak errors and who sell false hope to desperate people for millions of dollars The charismatic movement has always been a breeding ground for scandal greed bad doctrine and all kinds of spiritual chicanery As a movement it is clearly headed the wrong direction And it is growing at an unprecedented rate From the Word of Faith to the New Apostolic Reformation the Charismatic movement is being consumed by the empty promises of the prosperity gospel Too many charismatic celebrities promote a Christianity without Christ a Holy Spirit without holiness And their teaching is having a disastrous influence on a grand scale as large television networks broadcast their heresies to every part of the world In *Strange Fire* MacArthur lays out a chilling case against the modern Charismatic movement that includes Rejecting its false prophets Speaking out against their errors Showing true reverence to the Holy Spirit Clinging to the Bible as the inerrant authoritative Word of God and the one true standard by which all truth claims must be tested

**The Gifted Church** W. Clay Jackson MD DipTh, 2025-02-13 What if we re missing something The New Testament describes a vibrant church empowered by the Holy Spirit with supernatural gifts of manifestation service and leadership which turned the known world upside down within three generations But as the freedom of the operation of the Holy Spirit waned and post apostolic leaders consolidated power within hierarchical systems that missional momentum was truncated In this pivotal work Dr Jackson brings an Apostolic hermeneutic to the scriptures and mountain of classical and contemporary sources to demonstrate that this historical declension from scriptural truths began its long reversal with the Reformation culminating in the worldwide outpouring of the Holy Spirit in the early 20th century The restorationist impulse of the pioneers of modern Pentecostalism caused them to embrace previously neglected manifestation gifts charismata but did not substantially alter their ecclesiology as they failed to fully actualize the edification gifts domata Dr Jackson details the function and characteristics of each edification gift or speaking leadership role within a scriptural framework of an apostolic team He warns against excesses and abuses of power and reminds each disciple maker that the character of the Giver not the characteristics of the gift is the true determinant of our ability to serve faithfully This book will challenge the pastor theologian to rethink church leadership and to reengage the whole church in the kingdom expansion that characterized early

Christianity It will provide enrichment and clarity regarding the roles of those who portray and embody various types of edification leadership gifts The result will be a church whose missional impulse is not outsourced to designees but internalized within each member of a Body that is equipped for service within local and global contexts The Permanent Revolution Alan Hirsch, Tim Catchim, 2012-01-06 A new brand of apostolic ministry for today's world The Permanent Revolution is a work of theological re-imagining and re-construction that draws from biblical studies theology organizational theory leadership studies and key social sciences The book elaborates on the apostolic role rooted in the five-fold ministry from Ephesians 4 apostles prophets evangelists shepherds and teacher and its significance for the missional movement It explores how the apostolic ministry facilitates ongoing renewal in the life of the church and focuses on leadership in relation to missional innovation and entrepreneurship The authors examine the nature of organization as reframed through the lens of apostolic ministry Shows how to view the world through a biblical perspective and continue the permanent revolution that Jesus started Outlines the essential characteristics of apostolic movement and how to restructure the church and ministry to be more consistent with them Alan Hirsch is a leading voice in the missional movement of the Christian West This groundbreaking book integrates theology sociology and leadership to further define the apostolic movement
