Apostolic Renewal:

Ken Sumrall and Church Foundational Network Terry D. Shiver, 2015-12-04 This is the first extensive examination of the life of Ken Sumrall and his firm belief in the modern day apostolic restoration movement It presents Sumrall s journey from his Baptist beginnings through his experience of the baptism of the Holy Spirit through his learning struggles with Liberty Fellowship of Churches and Ministers and into his birthing of Church Foundational Network It represents Sumrall in his own light while dealing with his paradigm changes concerning church government the heart of which revolved around the restoration of modern day apostles Godly government was grounded in godly relationships with one s apostle whom Sumrall understood as a spiritual father For Sumrall the best biblical government for the New Testament church today is a theocracy Instead of a centralized hierarchical church government Sumrall advanced a decentralized network of churches connected relationally This volume contains the major influences upon Sumrall s thinking and the progress of his comprehension of the life of the church as family Moreover it engages some of the apprehensions that have surfaced over the present day apostolic movement and provides insights of the direction and survivability of the movement *Renewing Theology* J. Matthew Ashley, 2022-07-15 This comprehensive study investigates the role that Ignatian spirituality has played in the renewal of academic theology using three prominent Jesuits as case studies Over several centuries spirituality has come to define a field of concerns and themes increasingly treated separately from those of academic theology as if the latter had little relation to the former This raises the question for us today How is spirituality related to the practice of theology In *Renewing Theology* J Matthew Ashley provides an answer by turning to Ignatian spirituality and three prominent twentieth century theologians who embraced its spiritual resources Karl Rahner Ignacio Ellacur a and Jorge Mario Bergoglio that is Pope Francis Ashley begins his investigation by considering the historical origins of the widening separation between spirituality and academic theology in the Christian West He provides an initial overview of Ignatian spirituality focusing on the openness and multidimensionality of Ignatius of Loyola s Spiritual Exercises presented here as a text in which the conditions of modernity that defined its author s world are present at least incipiently Ashley then offers three case studies in order to show how each Jesuit Rahner Ellacur a and Pope Francis responded to the challenges of modernity in a way that is uniquely nourished and illuminated by themes constitutive of Ignatian spirituality Their theologies Ashley suggests evince a particular clarity and force when the Ignatian spirituality that animates them is foregrounded Providing new and productive avenues into understanding the theologies of these three individuals this sophisticated and enlightening book will interest scholars and students of systematic theology as well as readers who are interested in the future of theology and spirituality in a fragmented age *The New Apostolic Reformation* John Weaver, 2016-04-27 From Justin Bieber to Sarah Palin and Michele Bachmann to the controversial documentary Jesus Camp 2006 the New Apostolic Reformation s influence can be seen everywhere in mainstream America Beginning with an examination of the Latter Rain Church Growth and Shepherding

movements this book explores how the new Reformation has become one of the most powerful movements in modern evangelical Christianity and a major influence on American political and cultural life The author describes the New Apostolic Reformation s organization how the movement spread and its national and international objectives *Jesuit Education at the Crossroads* Juan Cristóbal Garcia-Huidobro,2021-08-26 The Jesuit educational tradition has existed for more than 450 years and today there are more than 150 Jesuit primary and secondary schools in North and Latin America Jesuit Education at the Crossroads tackles the lack of research on these schools by bringing together scattered studies and asking experts on the issues about the current challenges for Jesuit education The landscape pictured by this collection of essays suggests that Jesuit primary and secondary education is at a historical moment analogous to a crossroads After a crisis between the 1960s and 80s these schools were consolidated establishing themselves in national and international networks But the twenty first century has brought new challenges For instance the secularization of culture is demanding an update of the Jesuit educational project leadership is rapidly shifting from Jesuits to lay men and women with multiple issues at stake and researchers and policymakers are asking new questions about the role of these schools and school networks for equity and inclusion in each region The book touches on these and other points that will be very relevant for all who are interested in the Jesuit educational tradition Church and Reform Louis Pascoe,2004-12-01 This work examines Pierre d Ailly s 1351 1420 views on bishops theologians and canon lawyers not primarily in their conciliar context but within the broader dimensions of their individual status office and authority within the Church These views also unfold in varying degrees within the apocalyptic context of his thought and result in a call for both pastoral and personal reform especially for the episcopacy This call moreover reveals strong apostolic and evangelical influences especially those of the Franciscans and the Brethren of the Common Life and adds a distinctive dimension to the wide variety of late medieval reform ideologies which while having some influence at the Council of Constance contributed heavily to the reform decrees of Trent **Leaves of Healing** ,1928 The Changing Church C. Peter Wagner,2004-07-07 Peter Wagner tells readers exactly how they can contribute to the Church s worldwide fulfillment of God s kingdom on earth The Changing Church sheds light on the exciting things that are happening by the power of the Holy Spirit The Church is being aligned with God s plan for the Great Harvest While we might feel small in the scheme of things we can make a huge impact when we unite with what God is doing worldwide This new vision overlooks denominational barriers asking one and all to join together for the ultimate fulfillment of God s purposes *The Apostolic Rising* Jay Leach,2021-02-05 IF YOU KNOW WHAT YOU ARE DOING IS WRONG WHY CONTINUE TO TRAIN OTHERS TO DO THE SAME The Church is not only the community of the redeemed but also the redeeming community of the lost We are not only commanded by our Lord and Savior but also impelled by the indwelling Spirit of God to declare the message of God s redeeming love and reconciliation in Jesus Christ to all peoples I see a new apostolic generation rising in the earth today who are radically Christ centered Acts 1 8 This Spirit filled new wineskin will hold the new wine God

is pouring out The new is simply a restoration of what has been lost for 2000 years What we need most is a renewal of the understanding practice and commitment to the Great Commission of the early apostolic church of whom it was reported They turned the world upside down Many local churches are offering institutional religious substitutes Dr Leach argues Pastors If what you are doing is wrong unbiblical and you know it why do you continue to train others to do the same He insists that we are trying build Christ s Church and kingdom without Him using man made standards plans and blueprints If Christ is really the true foundation of what you are building why can t your instructions be found in the Letters and the Book of Acts Displaying His love Jesus counsels As many as I love I rebuke and chasten Therefore be zealous and repent He who has an ear let him hear what the Spirit says to the churches Revelation 3 19 22 An Ignatian Spirituality Reader, Volume II Eileen C. Burke-Sullivan, Julia A. Dowd, Mark Mossa, Stephanie Russell, Lori Stanley, 2025-12-02 A collection of essays designed to help readers understand and practice Ignatian principles especially as they relate to leadership justice and the spirit of collaboration in education and mission **The Messianic Hope in the New Testament** Shailer Mathews, 1905
