*The Complete Book of Ghosts* Paul Roland,2007-03-26 No one can deny Paul Roland is a complete master of his subject Colin Wilson author of *The Outsider* Ghosts and spirits inhabit the world around us We can hear and see them if we are only sensitive or psychic enough to be aware of them Re examining a fascinating assortment of recorded sightings from as far back as Roman times the author presents a serious look at ghosts not as chain rattling spooks but as actual entities with which we share a greater reality Nor does he accept that ghosts are merely the spirits of departed people or energies left behind Uniquely Paul Roland provides self tested evidence on the idea of spirits as the manifestation of people still living proving that out of body experiences are not as rare or as impossible as some people might think The result is a profoundly fascinating thought provoking book that will challenge your beliefs as never before *Ghosts and Apparitions* W.H. Salter,2012-04-01 A comprehensive survey of ghosts and apparitions from the records of the Society for Psychical Research *Ghosts and Apparitions* is a classic in the field of paranormal research written by a former president of the Society for Psychical Research W H Salter The author of *Zoar or the Evidence of Psychical Research Concerning Survival* Salter here mines his experiences and those of his colleagues for cases that throw light on the many different aspects of supernatural visitations From visions seen in sleep or that borderland between sleep and waking to the paranormal pranks of poltergeists *Ghosts and Apparitions* takes readers deep into the history of these sightings with confirmed accounts of otherworldly spirits *Ghosts and Apparitions* is part of *The Paranormal* a series that resurrects rare titles classic publications and out of print texts as well as publishes new supernatural and otherworldly ebooks for the digital age The series includes a range of paranormal subjects from angels fairies and UFOs to near death experiences vampires ghosts and witchcraft [Apparitions and Ghosts](#) Andrew MacKenzie,1971 *Ghosts* Paul Roland,2012-07-24 No one can deny Paul Roland is a complete master of his subject Colin Wilson author of *The Outsider* Ghosts and spirits inhabit the world around us We can hear and see them if we are only sensitive or psychic enough to be aware of them Re examining a fascinating assortment of recorded sightings from as far back as Roman times the author presents a serious look at ghosts not as chain rattling spooks but as actual entities with which we share a greater reality Nor does he accept that ghosts are merely the spirits of departed people or energies left behind Uniquely Paul Roland provides self tested evidence on the idea of spirits as the manifestation of people still living proving that out of body experiences are not as rare or as impossible as some people might think The result is a profoundly fascinating thought provoking book that will challenge your beliefs as never before **A Treatise of Ghosts** Noël Taillepied,1933 **Ghost Stories**,1846 **Apparitions** John F. **The Appearance of Evil** Edmund Jones,2003 Edmund Jones 1702 93 was a Welsh Independent minister Calvinist visionary prophet topographer and religious historian Like many Protestant Reformers and Puritan divines before him Jones was fascinated by the occult Throughout his life he amassed what he believed to be convincing evidence for the existence of good and evil apparitions including ghosts demons fairies witches angels and giants and of the invisible world The Appearance of Evil Apparitions of Spirits in Wales contains the testimonies of many witnesses to supernatural encounters in seventeenth and eighteenth century Wales from abductions by fairies and appearances of ghosts devils and witches to poltergeist activity The stories here evoke a spiritually dark landscape in which the malevolent dead and damned wander and present a fascinating insight into how the eighteenth century visualized the spirit world This new edition presents Jones s narratives in an up dated and accessible form John Harvey has collated Jones s second book of apparitions published in 1780 along with the text of an earlier but now lost volume on the same subject and material from Jones s 1779 study of the parish of Aberystwyth Together they represent the most comprehensive compilation of Jones s relations of apparitions ever before published
