**African Folktales** Roger Abrahams, 2011-08-03 The deep forest and broad savannah the campsites kraals and villages from this immense area south of the Sahara Desert the distinguished American folklorist Roger D Abrahams has selected ninety five tales that suggest both the diversity and the interconnectedness of the people who live there The storytellers weave imaginative myths of creation and tales of epic deeds chilling ghost stories and ribald tales of mischief and magic in the animal and human realms Abrahams renders these stories in a narrative voice that reverberates with the rhythms of tribal song and dance and the emotional language of universal concerns With black and white drawings throughout Part of the Pantheon Fairy Tale and Folklore Library

**African American Folktales** Roger Abrahams, 1999-01-09 Full of life wisdom and humor these tales range from the earthy comedy of tricksters to accounts of how the world was created and got to be the way it is to moral fables that tell of encounters between masters and slaves They include stories set down in nineteenth century travelers reports and plantation journals tales gathered by collectors such as Joel Chandler Harris and Zora Neale Hurston and narratives tape recorded by Roger Abrahams himself during extensive expeditions throughout the American South and the Caribbean With black and white illustrations throughout Part of the Pantheon Fairy Tale and Folklore Library

*African Folktales* Greg Uche, 2006 This children s storybook contains five African folktales The first story explains How the Tortoise Got Its Rough Shell The animals had a summit with the supreme being Eke in the sky Greed and lack of altruism cost the Tortoise dearly as he crash landed onto the roof of his hut from the sky His broken shells were mended by Snail but the result was a tortoise with rough shells Altruism and concern for others are the morals of this story The second story which extols the pride of motherhood is on The Farmer Who Buried His Mother

Alive Donealot the successful farmer had no choice other than to bury his persistently sick mother in the evil forest at night with the help of his friend Conscience The spirits of the evil forest brought his mother back home to a remorseful son with a sobering message You can never do enough for your mother Encounters of the Lion and the Tortoise is the third story In two separate incidents Tortoise outwits Lion The animals that were on their way to work for Lion never got there Instead Tortoise intercepted and entertained them all day with his melodious music Wiseone the youngest son of Tortoise survived a murder attempt by Lion Agunta Lion s son was killed instead Wiseone returns home to a heroic welcome with a reminder to all of us that wits usually prevail over raw strength and that slow and steady wins the race The story of The Two Mischievous Brothers describes how two brothers Kofi and Uka conspired to swindle people On market days Uka would transform himself into a bull and his brother Kofi took him to the market Unsuspecting buyers would exchange the bull for other animals Uka the bull escaped from the buyer and transformed himself back into a human only to be resold to someone else The two brothers ran out of luck when Nkume the buyer with magical powers beat them to their game The moral of the story is that it does not pay to be a cheat The fifth story Vengeance of the God of Justice Amadioha explains the ordeal Chuk went through at the hands of his wicked stepmother Dab This heir to the throne of the ancient city of Kaa survived numerous physical and emotional abuses from Dab He was buried alive for a crime he never committed Only the timely intervention of the god of justice Amadioha brought him back from the grave The moral of the story is that we should be careful not to maltreat the less privileged in our society because the natural law of justice is sure to catch up with us if we treat others unfairly
