African Political Parties M.A. Mohamed Salih,2003-02-20 A critique of modern African democracies **African Political Parties: Evolution, Institutionalisation and Governance** M. A. Salih Muhammad,2003 Rezension: M.A. Mohamed Salih (Hrsg.): African Political Parties. Evolution, Institutionalisation and Governance Matthias Basedau,2003 *Routledge Handbook of African Politics* Nic Cheeseman,2017-07-05 Providing a comprehensive and cutting edge examination of this important continent Routledge Handbook of African Politics surveys the key debates and controversies dealing with each of the major issues to be found in Africa s politics today Structured into 6 broad areas the handbook features over 30 contributions focused around The State Identity Conflict Democracy and Electoral Politics Political Economy Development International Relations Each chapter deals with a specific topic providing an overview of the main arguments and theories and explaining the empirical evidence that they are based on drawing on high profile cases such as the Democratic Republic of Congo Kenya Nigeria Somalia South Africa Rwanda and Zimbabwe The Handbook also contains new contributions on a wide range of topical issues including terrorism the growing influence of China civil war and transitional justice making it required reading for non specialists and experts alike Featuring both established scholars and emerging researchers this is a vital resource for all students of African Studies democratization conflict resolution and Third World politics **De Gruyter Handbook of Political Parties of the Global South** Lise Storm,2025-12-15 The De Gruyter Handbook of Political Parties in the Global South provides a survey of the literature that illuminates a worrying blind spot in current research While our knowledge of parties and parliamentary democracies in the West is rich and nuanced the same cannot be said about parties in the Global South This handbook defines what constitutes a party in practice beyond the borders of the West and the confines of Western academia particular in non democratic states It analyzes parties way of organizing and their relationship with society With contributions by leading scholars in the field as well as up and coming scholars this volume examines parties in the Global South from various perspectives and in the eyes of both the citizenry and the state **Departures from Post-colonial Authoritarianism** Elke Grawert,2009 This study sends the reader on an exciting journey into social and political life in Africa It gives space to the voices of Tanzanian villagers rural associations branches of political parties and local government officers and their views of socio economic and political change during the 1990s This authentic picture is combined with a thorough sociological and political economy analysis showing the dynamics in the relations between state components and social forces in the context of neo liberal globalization The book is not only attractive as a country case study It contains a deep analysis of the paradigmatic shift of African political systems from post colonial rule to governance in response to neo liberalism and provides new insights in processes of political transformation **Journal of African Elections** ,2006 *Political Parties & Democracy in Nigeria* Olu Obafemi,Samuel G. Egwu,Okechukwu Ibeanu,Jubrin Ibrahim,2014 Political Parties Nandini Patel,2005 **The Heart and Soul of the Party** Magnus Öhman,2004 This is a

Ph D dissertation Although most countries south of the Sahara introduced multiparty systems more than a decade ago much remains to be understood about the political parties active within these systems General statements about African parties are common but tend to lack support from systematic research Among the least studied areas is African party organization including such issues as how parties function and who decides what One useful way of studying the power dynamics within political parties is to analyze how parliamentary candidates are selected While a common theme in party research in established democracies this is the first systematic study of the subject in Africa This book analyzes the selection system used in recent elections in 31 parties in 17 African countries while a closer study of Ghana offers more detailed information It is found that the selection process in many political parties is significantly more decentralized than general theories about African parties would suggest In sharp contrast to arguments about the stability of African elites incumbent Members of Parliament are often very vulnerable to challenges from other aspirants in their parties It is argued that the logic of clientelism plays an important role in explaining these findings Annual Report University of Ghana,2004 *Globalising Democracy* Peter J. Burnell,2006 Explores the intersection of two major themes globalization and the contribution that both domestic party politics and international party support make to democratization This volume shows what globalization means for domestic and international efforts to build effective political parties and competitive party systems in emerging democracies **International Journal of Governance and Development** ,2007 Beyond the Public Realm Fenta Mandefro Abate,2007 *Dominant Parties* Zibani Maundeni,2008 **Democracy & Development** ,2004 **Afrika Spectrum** ,2003 **OSSREA Bulletin** ,2007 The Power of the Vote Martin Ott,2004 The 2004 elections in Malawi were pivotal in the democratisation process of a country which is undergoing enormous changes in its political landscape The elections carried a message of democratic hope however were not free of concern for the future of a stable democracy in the country the 2004 elections were characterised by voter apathy registering fewer voters than in 1999 The papers in this book comprise the proceedings of a non partisan academic conference which took place in Malawi after the elections in July 2004 They consider questions such as the extent to which the people of the country were fully cognisant of their rights responsibilities and appreciated the power of the vote the reasons for the reduced turnout and whether or not this of itself represented a form of protest and whether the elections will provide a stable and predictable foundation for the future The papers further provide a comprehensive overview of the main aspects of the elections the electoral process the political parties the participation of civil society and faith communities the roles of the judiciary media and donors the management of conflicts and perspectives of domestic and international observers Finally the editors outline a series of recommendations to local and international stakeholders in Malawi s democracy and provide valuable statistical data Between Coordination and Cooptation Leonardo Rafael Arriola,2008
