African Elephants Giants Of The Land:

African Elephants Dorothy Hinshaw Patent,1991 Describes the physical characteristics behavior feeding family life and habitat of the African elephant

The Last Giants Levison Wood,2020-11-03 From the award winning explorer an entertaining summary of what we know about the elephant and a call to change our behavior to ensure its survival Daily Mail

The Last Giants satisfies British explorer Levison Wood s lifelong desire to learn more about the majestic African elephant These giants trek through some of Africa s most magnificent landscapes as they go in search of life giving waters and pastures El Nino s droughts and an insatiable ivory trade have cut African elephant numbers by a third in the last decade alone and if elephants disappear entirely Africa s entire ecosystem could collapse But Botswana has become a safe haven where one sixth of the world s elephants now reside Each year their numbers grow and an incredible migration takes place which Wood witnesses and records He teams up with local trackers to gain insight into how this iconic species survives camps out in the wild meets the people and tribes living on the migration s path and joins the park rangers whose job it is to protect these land goliaths equipped with his good eye for detail and better ear for dialogue The Wall Street Journal Adventurer Wood followed elephants on a 650 mile migration across Botswana for a British television program This fascinating companion volume to that series examines the past present and future of the African elephant Library Journal starred review A smart inviting portrait of elephants from a keen eyed observer Kirkus Reviews A rewarding look at the habits and habitats of the African elephant Comprehensively yet accessibly conveying Wood s lifelong fascination with African elephants his discussion will appeal to anyone keen on learning more about them Publishers Weekly [Giants of the Monsoon Forest](#) Jacob Shell,2019-06-11 No one who loves elephants or how humans interact with wildlife should pass up Jacob Shell s remarkable book Dan Flores author of Coyote America Giants of the Monsoon Forest journeys deep into the mountainous rainforests of Burma and India to explore the world of teak logging elephants and their intriguing alliance with humans Jacob Shell s narrative vividly depicts elephants extraordinary intelligence and the complicated bond with individual human riders a partnership that can last for decades Giants of the Monsoon Forest reveals an unexpected relationship between evolution in the natural world and political struggles in the human one while considering how Asia s secret forest culture might offer a way to help protect the fragile spaces both elephants and humans need to survive *More Social Studies Through Childrens Literature* Anthony D. Fredericks,2000-02-15 These dynamic literature based activities will help you energize the social studies curriculum and implement national and many of state standards Fredericks presents hundreds of hands on minds on projects to stimulate actively and engage students in positive learning Each of these 33 units offers book summaries social studies topic areas critical thinking questions and dozens of easy to do activities for every grade level The author also gives practical guidelines for integrating literature across the curriculum lists of web sites useful in social studies classes and annotated bibliographies of related resources [Elephants](#) Blackbirch,Melissa S.
