Diouf,1998-11-01 Despite the explosion in work on African American and religious history little is known about Black Muslims who came to America as slaves Most assume that what Muslim faith any Africans did bring with them was quickly absorbed into the new Christian milieu But surprisingly as Sylviane Diouf shows in this new meticulously researched volume Islam flourished during slavery on a large scale *Servants of Allah* presents a history of African Muslim slaves following them from Africa to the Americas It details how even while enslaved many Black Muslims managed to follow most of the precepts of their religion Literate urban and well traveled Black Muslims drew on their organization and the strength of their beliefs to play a major part in the most well known slave uprisings Though Islam did not survive in the Americas in its orthodox form its mark can be found in certain religions traditions and artistic creations of people of African descent But for all their accomplishments and contributions to the cultures of the African Diaspora the Muslim slaves have been largely ignored *Servants of Allah* is the first book to examine the role of Islam in the lives of both individual practitioners and in the American slave community as a whole while also shedding light on the legacy of Islam in today s American and Caribbean cultures Choice Outstanding Academic Title of 1999

Black Crescent Michael A. Gomez,2005-03-21 Beginning with Latin America in the fifteenth century this book first published in 2005 is a social history of the experiences of African Muslims and their descendants throughout the Americas including the Caribbean The record under slavery is examined as is the post slavery period into the twentieth century The experiences vary arguably due to some extent to the Old World context Muslim revolts in Brazil are also discussed especially in 1835 by way of a nuanced analysis The second part of the book looks at the emergence of Islam among the African descended in the United States in the twentieth century with successive chapters on Noble Drew Ali Elijah Muhammad and Malcolm X with a view to explaining how orthodoxy arose from varied unorthodox roots Islam in the African-American Experience Richard Brent Turner,2003 The involvement of African Americans with Islam reaches back to the earliest days of the African presence in North America This book explores these roots in the Middle East West Africa and antebellum America *Islam, Black Nationalism and Slavery* Mario a S Ahmad,2019-07-23 This book of Mr Adib Rashad James Miller is a

documentation of the encounter between Islam and the Black peoples of North America Working on the assumption that Islam is not a stranger to African Americans because it was known to many of their ancestors in Africa Mr Rashad traces the history of the Black American encounter with Islam from the time of slavery to the present In the course of his investigation and analysis he identifies the major landmarks in this history He not only tells us about the early Muslim slaves of the antebellum period but also discusses the rise of modern Islam in the cities of America He shows how colorful historical characters such as Marcus Garvey Noble Drew Ali and Farad Muhammad featured in the drama Coming to the present period Mr Rashad analyzes the contemporary situation and the various groups that are now claiming to be the true inheritors and custodians of the Muslim faith in America He contends that Black Nationalism in North America has been affected by the Islamic Movement and vice versa He concludes that Islam is now a part of the American social landscape and Muslims must be taken for what they really are They are part of the United States and their religion is seriously adhered to by almost all members Beginning with the origins of Islam in Arabia and continuing to the African empires of Ghana Mali and Songhai Mr Rashad examines the influence the religion had on the peoples of that continent and the impact of slavery on African Muslims brought to the Americas He offers several biographical sketches of pre Civil War Muslim slaves and how Islam was reintroduced into the United States at the turn of the century Mr Rashad describes the rise of Islamic and Black Power movements in urban areas of the U S and presents vivid portraits of such powerful historical figures as Marcus Garvey Drew Ali Elijah Muhammad and Malcolm X The book also includes biographical profiles of current leaders such as Minister Louis Farrakhan Imam Jamil Al Amin H Rap Brown Imam W D Mohammed and many others who have contributed to the present African American Islamic consciousness The chapters on Elijah Muhammad and Louis Farrakhan are particularly revealing shedding much light on the origins and teachings of the Nation of Islam
